Eccentric Victorian splendour meets modern Brighton Living

Surrounded by greenery and close to the sea, Preston Road has been a popular location for centuries. Now, this showcase development takes two imposing and distinctive Victorian Villas and reinterprets them for the 21st century, adding new apartments along with six distinctive contemporary 3 bedroom houses. These unique new homes are set within spacious landscaped gardens and all have allocated parking spaces.

Within touching distance of beautiful countryside and the buzz of Brighton, Preston Road is a special place to buy a home. Made even more attractive by our shared ownership scheme. This means you buy a percentage of your home, and pay rent on the rest. You therefore pay less deposit and a smaller mortgage, making it quicker and easier to own your own home.

Green living at Preston Park

This is a part of Brighton full of open spaces and the jewel in the crown is Preston Park, the biggest green area in the city and only 500m down the road from 251 Preston Road. The parklands are perfect for a summer's stroll while sports lovers will appreciate the football pitches, tennis courts, cricket ground, basketball facilities and velodrome. There's a celebrated rockery, filled with a diverse collection of flora and fauna, together with walled and rose gardens. For youngsters there is a choice of two playgrounds, as well as two cafés for the grown-ups to relax.

PRESTON MANOR

An Edwardian manor house that takes you above and below stairs as you journey back in time.

WALLED GARDEN

A tranquil and secluded haven, this charming garden was originally part of the manor house.

ROCKERY

Perhaps the largest municipal rock garden in the country, featuring delightful streams and waterways.

ROSE GARDENS

Originally designed to attract people to the park, a 2001 lottery grant restored the gardens to their full glory.

SPORTS FACILITIES

As well as football, tennis and cricket, there's a softball pitch, bowling green and orienteering course.

THE CLOCK TOWER

The Grade II listed Victorian clock tower, with its impressive brick façade, makes an ideal rendezvous point.

PLAYGROUNDS

The park offers a choice of two children's playgrounds, together with the Rotunda and Chalet cafés.

Rock Garden

Clock Tower

There's nowhere like the seaside and Brighton is the coastal resort that has everything. Young children will love the fairground rides, beachside railway, dodging the waves and then settling down with an ice cream on the famous pier.

There's so much for grown-ups too with kayaking, paddle boarding, volleyball and frisbee. If you love sailing, Brighton Marina is nearby, offering an exciting range of activities both on and off the water.

Brighton is the perfect mix of old and new. Alongside the fashionable clubs and bars you'll find grand hotels that have graced the promenade for centuries and traditional stalls selling cockles and muscles or fishing nets and saucy postcards.

Love living by the seaside

"The voice of the sea speaks to the soul"

Love Brighton's buzz

"Only in Brighton," is a phrase you will often hear on this part of the South Coast and there is something uniquely free and open about the spirit of this town. Whether it's spending an afternoon on the helter-skelter at the end of the pier or dancing till dawn in one of Brighton's nightclubs, Brighton fills you with a sense of happiness and adventure.

The arches along the waterfront are occupied by a range of artisan stores selling everything from fashion to photography. Make sure to visit the galleries in the Artists' Quarter near the Palace Pier and stroll further down the beach to Hove, with its magnificent architecture both old and new. From the romance of the famous Brighton Pavilion to the tempting restaurants in The Lanes, Brighton has something for everyone.

George IV's exotically designed seaside palace, built when he was Prince Regent, is a fascinating and historic day out.

02 / THE LANES /

From posh afternoon tea to vegan cafés, from fine dining to intriguing pop-up restaurants, Brighton is foodie heaven.

04 / STREET LIFE /

05 / A BIT OF A LAUGH /

your sea gardens

Set back from the road and including many old and beautiful trees, the development is a haven of calm. The architects have taken this idea further, creating landscaped communal gardens that add new trees alongside the existing ones. A selection of new shrubs and plants has also been introduced, carefully chosen to reflect the spirit of the buildings themselves.

The result is a peaceful oasis, set apart and secluded from the buzz of the city and bounded by walls on all sides. This is the ideal place to relax on a summer's day, away from the cares of the world.

What is shared ownership?

You buy a percentage of a home, and pay rent on the rest. This means a smaller deposit, a smaller mortgage, and quicker steps on the ladder. We own some of the property, but it's still yours. You're living there, you can make it your own, and you decide when to sell. You can even buy more shares, to eventually own the lot.

YOU COULD BUY A HOME AT 251 PRESTON ROAD THROUGH SHARED OWNERSHIP IF:

- Your household earns £80,000 a year or less
- You are a first-time buyer, you used to own a home but can't afford to buy one now or are an existing shared owner looking to move.

To purchase a home you'll need to take out a mortgage to pay for your share of the home's purchase price, or fund this through your savings, typically you'll need minimum 5% deposit of the value of the share you purchase. A rent of 2.75% is payable monthly on the unowned share. Shared Ownership properties are leasehold.
