BE IN SW6

That Fulham feeling

Bordering the sweeping West London stretch of the Thames, Fulham is an historic part of the city that has moved with the times, becoming a vibrant community and a highly sought-after residential area. It's surrounded by some of London's most fashionable districts, including West Kensington, Chelsea, Earl's Court and, just across the river, Barnes and Putney.

Whether you commute into Central London for work or regularly travel out of town, the excellent transport links make your journey easy.

Shop and socialise

Whether it's High Street names or a more eclectic shopping experience, this part of London has lots to offer. Places such as New Kings Road and Fulham Road have a wonderful mix of stores offering high-end fashion, individual homewares and boutique gifts. For a drink or a bite to eat, the choice is wide and varied, with everything from traditional pubs to top-class restaurants. As for entertainment, there are local multiplex cinemas and live music clubs, while some of London's most famous venues are within easy reach, including Eventim Apollo, the Royal Albert Hall and Under the Bridge.

Spaces to breathe

Fancy a picnic or a stroll in the park? There are several open spaces close at hand. Created on the site of a 17th century villa, Normand Park is a great place to relax on a sunny day, while historic Eel Brook Common has the feel of a village green. Alternatively, take a leisurely stroll along the tree-lined avenue through Bishops Park, located next to the Thames and historic Fulham Palace.

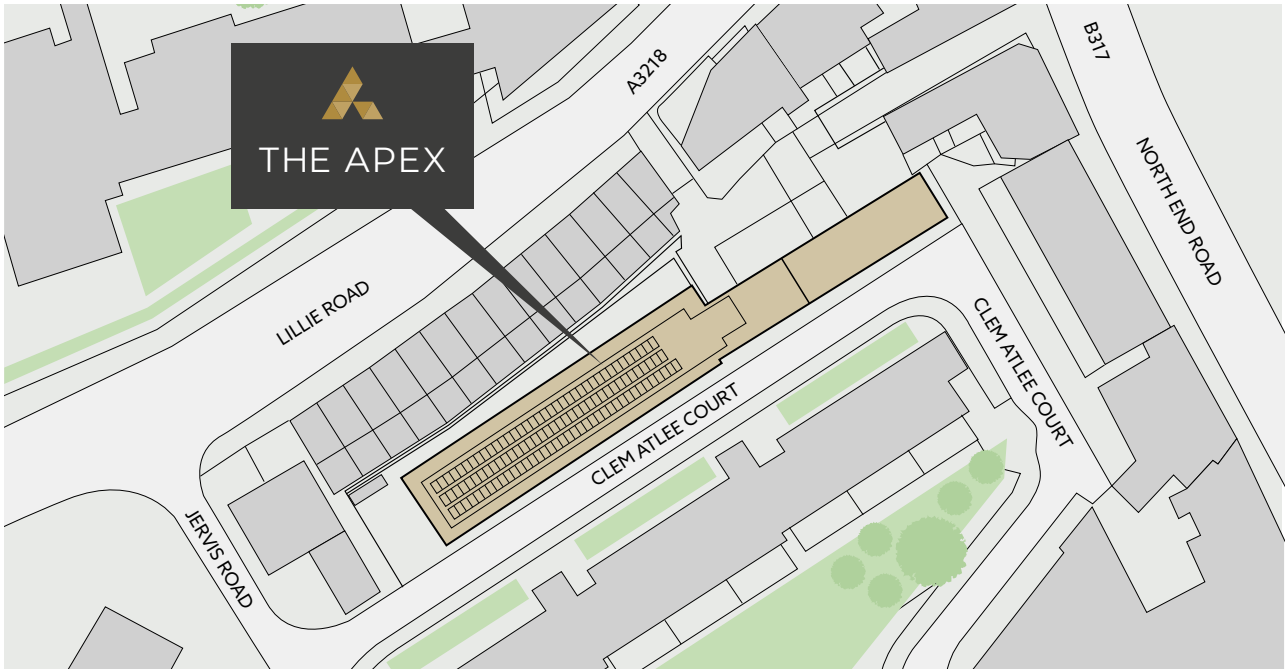

At your leisure

Whether you're looking for a workout, a game of tennis, rowing on the Thames or you simply enjoy a jog in the park, living at the Apex will give you every opportunity to indulge in your favourite sport or leisure activity. Spectator sports are also well catered for, with local big names including Fulham and Chelsea football clubs, the Oxford-Cambridge Boat Race and the annual tennis tournament at Queens Club.

How shared ownership works

Shared ownership is a government-supported initiative that gives first time buyers a chance to buy a share of their new home.

The scheme allows you to part own and part rent your home which means it's more affordable to get your foot on to the property ladder.

The smallest share you can buy today is 25% and the largest is 75%. You will usually pay a mortgage on the part you own and a subsidised rent on the part you don't own, but this is less than if you were buying the property outright. This is usually cheaper than renting the same type of property privately in As your income rises, you can increase the share you own, until you eventually own 100% and no longer have to pay rent. This process is known as 'staircasing'. You are not obligated to staircase at any time.

We are delighted to offer shared ownership as a practical way for more people to be able to own their own homes.

Example: Buying a 25% share
