The village of Woolpit

Welcome to Old Stowmarket Road

Woolpit is the kind of country village you might find on a picture postcard. Historic, half timbered houses line the streets and there's an impressive church which dates back to the middle ages. Leave the village and you are surrounded by the wide open fields and inspiring skies that are uniquely East Anglia.

Old Stowmarket Road is a brand new collection of beautifully crafted homes, built in the traditional style and fully equipped to offer everything you need for modern living.

Legal & General Affordable Homes is offering a unique opportunity to purchase a new home here through Shared Ownership. Thanks to this scheme, you can own your home with a lower deposit than is required to buy outright or with other buying schemes.

Everything close at hand

Stowmarket is just a few minutes' drive down the road and offers a great range of shops, bars and restaurants, together with a leisure centre and cinema.

Head in the other direction and you quickly arrive at the beautiful town of Bury St Edmunds. Whether you're looking for a Michelin Star restaurant, a traditional pub, a trip to the theatre or a shopping arcade, Bury St Edmunds has them all. The local market goes back centuries and the magnificent cathedral even further. In fact the site has been a place of worship since 869AD.

From the beauty of Ickworth House to the quiet splendour of the Cambridge colleges, there is so much to explore within easy reach. You can watch professional football at Ipswich and Norwich, first class cricket at Chelmsford and racing at Newmarket. In summer you can sail the Norfolk broads and head off to Cromer to enjoy a crab supper. Living in Woolpit, you have the whole of East Anglia on hand.

You're connected wherever you're heading

Considering you live in the countryside, the local railway station – at Elmswell – is surprisingly close. Just 2 miles away, in fact. From there you can be in Bury St Edmunds in minutes and Cambridge in an hour. Stowmarket Station will link you to Ipswich in 12 minutes and London Liverpool Street in under an hour and a half.

The A14 runs to the North of the village, giving you quick road access to Bury St Edmunds, Newmarket and Cambridge to the West. Or drive South East for Stowmarket and Ipswich. The M11 is your closest motorway, connecting you to the M25 and London.

Being so flat, this is also a great part of the world for cycling.

Shared Ownership Explained

Your essential guide to all things Shared Ownership with Legal & General

Shared Ownership could be your step onto the property ladder. This home ownership scheme allows you to buy a share in your home and rent the remaining share. Over time, you can buy more shares in your home until you own the full 100%.

How does Shared Ownership work?

The Shared Ownership scheme is simple, you buy an initial share of between 40% and 75% (depending on the development) of the home's full value and pay a subsidised rent on the remainder. You may purchase further shares (up to 100%) as your circumstances change.

Am I eligible for Shared Ownership?

If you earn or have a household income up to a maximum of £80,000 (or £90,000 in London) per annum, you could be eligible. You can also use Shared Ownership to buy alone or with another person as long as your joint incomes don't exceed the maximum earnings bracket.

Some developments have eligibility or prioritisation requirements around where you live and/or work. Please speak to our Sales Consultant for further information.

Can I buy additional shares in the property?

Yes you can. This is known as 'staircasing'. When you buy more shares in your home, your home is re-valued and you buy the shares at the current market value, at the time you are buying the shares. You can staircase up to 100%.

Is it cheaper than renting?

Shared Ownership can be cheaper than renting privately as the mortgage cost and low rent usually add up to less than the equivalent rental payments to a landlord.

What if I already have a home?

If you already own a property you would need to have confirmed the sale of your home when you apply to buy via Shared Ownership.

Your application would be assessed based on your housing need for you to be considered for Shared Ownership.

Will I need a deposit?

Yes you still need a deposit, but only on the percentage of the property you are buying. Mortgage deposits are typically 5% or 10% of the share value.

A step by step guide to owning your own home

Find a Legal & General Shared Ownership property you'd like to buy and follow our step by step guide to turn your home-buying dreams into reality.

People come first. It's been the Legal & General way for almost 200 years.

Legal & General began in a coffee house on London's Chancery Lane back in 1836. Almost 200 years later we are investing in new homes for all ages, social groups and housing tenures.

The shortage of housing in the UK, and high deposits required to buy a property outright, mean many people can't afford a new home. Our mission is to better people's lives by offering opportunities to those who need a helping hand. Whether it's a first-time buyer, young couple or growing family, it's important that everyone has a safe and secure space to call their own.

Our mission is to become the leading private affordable housing provider in the UK and to make a positive difference to the affordable housing sector. As a company, we have never stopped moving forward, but our position of being a byword for reliability, integrity and trust, is one we will never move from. That's why our key principles underpin everything we do:

 **Quality** We aim to bring you the best possible experience in every aspect of your new home. That's in location, design, furnishing, environment and, above all, value.

 **Customer Service** We're committed to providing first-class customer service, from the moment you arrive to when you open the door of your new home.

 **Sustainability** We work to minimise the environmental impact of what we do. That means reducing carbon emissions, using renewable materials and following sustainable design and building processes.
