SO Resi redefines shared ownership, by making everything clear and uncomplicated, so you understand how it all works at every stage, before and after you buy. Our SO Resi homeowners are important to us and we aim to build strong, lasting relationships by being here to answer your questions in a language that makes sense.

SO Resi by Metropolitan Thames Valley, a not-for-profit housing association. For over fifty years we've been building good quality, affordable new homes and managing them well. By doing that, we've been helping to create communities where people are proud and happy to live.

Small town feel with big benefits

It's easy to see the appeal of a home in this up-and-coming city suburb. Greenford's outstanding transport links make it a hit with the commuters, while the friendly small town vibe is perfect for families and those wanting to feel part of a community.

Shopping for daily essentials is simple. Westway Cross Retail Park (including M&S Simply Food) is just a five-minute walk away, and the town centre offers a mix of independents and high-street chains plus a thriving twice-weekly market.

No need to travel for global cuisine when Greenford's eateries enable you to tour the world through your tastebuds. For more traditional fare try a local historical pub, or pop to nearby vibrant Ealing which offers an eclectic choice of restaurants and bars.

Families are well catered for with a number of OFSTED 'good' rated schools in the area, plus plenty of activities to keep the kids amused – including the annual Greenford Carnival with live music, dancing and workshops.

With SO Resi, you buy your own home in your own way. You start with a share that's right for you, then you can buy extra shares over time, so it's all manageable and suits your income.

You start by buying between 25% and 75% of your SO Resi home. That means your monthly mortgage payments and deposit are smaller than they would be if you bought your home outright. There are two other monthly payments for your SO Resi home. One is the SO Resi payment for the share of your home that Metropolitan Thames Valley owns. The other is the service charge, which pays to look after the building you live in. There are also the usual other costs, like household utility bills. You can choose to buy a bigger share of your SO Resi home in the future, and even own 100%. The bigger the share you own, the lower your SO Resi payment will be.

You can sell your share at any time if you decide to move on.
