# WHAT <sup>is</sup> SHARED OWNERSHIP?

Shared Ownership\* is a Government-funded, part-buy, part-rent scheme designed to help people buy a home of their own.

You buy a share of between 25% and 75% of the home's full market value and pay a subsidised rent on the remainder, with the option to increase the share you own when you can afford to (known as 'staircasing').

Shares available to buy at Coachmakers Yard may vary. Please speak to a member of the Sales Team for the latest eligibility and availability criteria.
