SHARED OWNERSHIP

Shared Ownership lets buyers get a foothold on the property ladder in an affordable way. By choosing a part buy, part rent scheme you combine the security of ownership with the benefit of reduced monthly costs.

In a nutshell, Shared Ownership means you buy a share in the property, with the remaining share retained by St. Arthur Homes. At Heathbourne Village, you can purchase a 50% share of the property, with the opportunity to buy further shares up to 100% and outright ownership in the future. The beauty of this flexible ownership model means a smaller deposit and a smaller mortgage, topped up by rental payments on the remaining balance, making it a perfect option for first time buyers.

To qualify, you must have a household income of under £80,000, a good credit history and the ability to afford the regular payments. The initial outlay is as little as a 5% deposit bringing stylish urban living to genuinely affordable levels.
