LATIMER DELIVERS MORE

LATIMER
by Clarion Housing Group

Latimer is part of Clarion Housing Group, and is a new kind of housing developer and that means exceeding expectations to 'deliver more'. Latimer is working with communities and councils across the country. Providing tailored solutions to their needs.

Latimer is a placemaker, committed to creating spaces and homes that are amazing to live in and visit, places that appeal to a broad range of people and preferences but always with a strong focus on community and quality.

Bricks and mortar are at the foundation of everything we do. But it's a foundation on which to build more than just homes. The Latimer impact on the land

we develop is positive and enhances environments. Our surplus is poured back into communities helping the Group deliver more. Latimer is pushing the boundaries of expectation. Because affordable shouldn't mean poor-quality. Because aspirational shouldn't mean out of reach. Because accessible shouldn't mean generic. Latimer is delivering more for residents, for communities, for the future.

Latimer doesn't just deliver homes, Latimer delivers social impact.

Latimer delivers more.

CONVENIENTLY LOCAL

THE BOWERY, WEST EALING

Just a five minute walk away, Ealing Broadway provides you with all of your essentials. Take your pick of grocery stores; Waitrose, Lidl, Sainsbury's and Tesco. Plus dozens of local businesses. If you prefer to venture further, Ealing Broadway centre is easily reached by car, or bus. You'll find even more options for groceries as well a host of fashion stores.

Ealing High Street, just off of the Broadway, is the place for cafés, pubs and restaurants, and they are a truly diverse collection. Caribbean bottomless brunch and cocktails at Turtle Bay; relaxed all-day dining at Gordon Ramsay's Bread Street Café; Korean at Park's Kitchen; authentic gelato at Amorino; and French brasserie style at Côte are just a few suggestions. There are some inviting pubs here too. The Grove, opposite the famous Ealing Studios, is known for its excellent gastropub menu, while The Red Lion is more traditional and is well-loved for Neapolitan pizza.

Dickens Yard is fairly new to the Ealing scene, but is already home to some tempting places to eat. They include No 17 Bar & Restaurant, Tonkotsu, Pasta Remoli, and Spanish food at Reineta.

A WALK IN THE PARK

Ealing is one of the greenest boroughs in London. Two of its best parks are very near The Bowery. The building also overlooks Deans Gardens, a walk-through open space with several play areas.

Walpole Park is on a grander scale, Grade II Listed and the setting for Pitzhanger Manor and Gallery. It's a must for anyone interested in art, architecture and history, but is also a lovely park in its own right, with an ornamental lake and walled kitchen garden. It's about 10 minutes' walk from home.

Just a little further and you'll come to Lammas Park, a 25-acre space with shady chestnut walks and a nature area. You can play tennis, netball and football in its sports centre too. It's a real community park.

CROSSRAIL CONNECTIONS

THE BIG PICTURE

Space for everyone

The Bowery is part of a broader residential scheme, which is undergoing a thorough makeover, producing high quality homes for rent, private sale and shared ownership, along with facilities and opportunities for all. The tallest building is to be seven storeys high.

Designed with the needs of all of its residents in mind, a car club and parking spaces for cars and bikes will be available, with play areas, communal gardens, and private outdoor space for everyone, in the form of a balcony or a garden.

Landscaping is a key element in uplifting this neighbourhood, the idea being to treat all areas as important places for people and nature, be they streets, gardens or courtyards. In this family friendly, pedestrian friendly social community, all the residents can enjoy being outside together.

SHARED OWNERSHIP

With shared ownership, you buy a share of your home – as much as you can afford – starting from as little as 25%, and rising up to 75% of the property’s value. You then pay subsidised rent to Latimer on the remaining share of your home. The scheme is sometimes called part buy, part rent.

The deposit required for a shared ownership mortgage is lower than if you were purchasing a property outright. It is usually 5-10% the initial share you are purchasing, rather than on the full value of the property. You only need a mortgage to cover the price of your share. Once you’ve moved in, you can if you wish begin to buy more shares in your home until you own it outright. This process is known as staircasing. It is a good idea to start thinking about staircasing even before you buy, so you have a plan for owning more of your property.

There’s more information on shared ownership in the step by step guide that you can find at latimerhomes.com/buying-with-latimer/shared-ownership

EXAMPLE : PURCHASING 25% OF A PROPERTY VALUED AT £200,000

1 YOUR DEPOSIT

Your 25% share of this property would be worth £50,000, meaning you would need a 5% mortgage deposit of £2,500.

2 YOUR MORTGAGE

A mortgage lender could loan you the remaining £47,500 to make up the full value of your 25% share.

3 YOUR RENT

You will then pay subsidised rent to Latimer on the remaining 75% of the property you don't own.

Am I eligible for shared ownership?

To be eligible for shared ownership you will need to meet certain requirements set by Homes England and the Greater London Authority (GLA). You could be eligible if:

- You are at least 18 years old.
- You cannot afford to buy a home that suits your household’s needs on the open market.
- You have savings to cover a mortgage deposit and can obtain a mortgage.
- Your household earns £80,000 or less (£90,000 or less inside London).
- You are a first-time buyer.

If you already own a home and need to move but cannot afford to – or you have equity from a recent sale – please contact us, as there are some circumstances under which you may still be eligible.

In some cases, due to criteria set by local authorities, you may be asked to show a connection to the local area where you’re looking to buy. For instance, you might currently live and/or work there.

Maximum incomes and further eligibility requirements may vary for each scheme.

MAKING A POSITIVE IMPACT

The homes we create at Latimer are homes for life, meaning we deliver more to the communities our homes are part of and do more to protect the environment they're located in.

Environmental impact

Our projects are future facing, with homes designed and built to keep our residents and the world they live in healthy. From city centres to rural retreats, Latimer developments will always maximise fresh air and green spaces, and protect local wildlife and natural assets. As an intrinsic part of our efforts to minimise environmental impact, we are targeting net zero carbon compatible by 2025 at all developments.

Economic impact

All developers have a legal obligation to the local community, and the planning process considers every development's potential for bringing prosperity and opportunity as well as the nuts and bolts of the build.

At Latimer however, we deliver more than what is required by law. Latimer developments also benefit communities through job generation, green places, fresh faces and vibrant social spaces. Our economic impact starts when we buy the land, and continues far into the future through our customers and the relationships we build.

Social impact

We create spaces that generate social energy. By this we mean that we design high-quality homes and spaces that help foster a sense of community, building a sense of inclusion, safety and happiness. Communities are created in the shared spaces, the green spaces, the open doors and the passing places. When you say hello to your neighbour in the gardens or you share a lift to your floor, these are the moments that generate relationships. At Latimer we spend the same time and energy on creating those spaces as we do on the design, layout and production of our homes.

OUR DEVELOPMENTS

Latimer builds homes for both outright sale and shared ownership throughout the nation, from contemporary apartments to family homes, in locations ranging from rural landscapes to thriving towns and iconic city centres.

The Latimer brand is synonymous with high quality design and a commitment to excellence. This encompasses the locations we choose as well as the beautiful craftsmanship and the materials we use. We partner with architects, designers and contractors who share our values.

Once the homes are built and occupied, our customer service and after care continue to uphold our core values of providing happiness and delivering more.

A WORD FROM OUR CUSTOMERS

Friendship turns into home ownership at Liberty Wharf

Having met in the staff room at work just one year before they decided to buy a first home together, good friends Emma and Rebecca have recently moved into a spacious two bedroom apartment at Liberty Wharf in Alperton.

Emma explains: “It was just before the start of the first lockdown, we got on instantly and quickly realised that it could be a fantastic opportunity to get onto the property ladder.”

Taking matters into their own hands, the two friends, who both work as croupiers in a London casino and were living at home with their families in Kent and Essex, began their search in August 2020.

Rebecca adds: “We had both been saving but didn’t have enough for a deposit on our own and did not want to waste money on rent. Here at Liberty Wharf, we pay less than we would if we were renting in London, even with the bills and service charge. Shared ownership was a great option for us as it was proving impossible to do it alone.”
