Making home ownership possible

WHAT IS SHARED OWNERSHIP?

Shared ownership is a way of making home ownership possible for more people. You buy a share of your home, with a lower deposit, smaller mortgage and monthly payment on the rest. You can choose how much you buy, between 25% and 75%, depending on your income.

SOResi is a sales agent specialising in shared ownership, by making everything clear and uncomplicated, so you understand how it all works at every stage, before and after you buy.
