## SPALDING

A stylish collection of shared ownership homes for sale

Arnold's Meadow, Spalding

## Space to nest at Fantail View

Homes thoughtfully designed to nurture you in this well-connected rural town

**Fantail View** sits on the edge of the ancient market town of Spalding, at the centre of Lincolnshire's South Holland district. An area famed for its sweeping fens and glorious fields of tulips and daffodils. Here, you're just a five-minute drive from the town centre, with wide open countryside on your doorstep and the River Welland winding by.

At this brand-new community, we have 71 homes for sale including thirty-six 3- bed houses, thirty-three 2- bed houses and two 4- bed houses. So, whether you're buying as a family, a couple or alone, there's a place for you at Fantail View. Each home comes with a garden and parking. And, with flexible layouts and neutral finishes, they're ready for you to make your own as soon as you start unpacking.

Spalding has everything you need for day-to-day life, including a mix of independent and high-street stores, restaurants, and cafes. And there's plenty to keep everyone entertained – from comedy nights and cinema screenings to wildlife watching and Dino Golf.

Excellent transport links mean you're also within easy reach of several cities. Peterborough is around a 35-minute drive and, from there, it's less than an hour by train to London Kings Cross. You can be in Cambridge in around an hour and 15 minutes. And Norfolk's expansive countryside, beautiful coastline and teeming nature reserves are within an hour's drive.

# Get settled with shared ownership at Fantail View

Another way to find what you've always wanted

Everyone should have the opportunity to find a home they love, and shared ownership could be the answer for you. It's a great way to get on the property ladder and offers a real alternative to renting.

Homes at Fantail View are available to buy using the government's shared ownership scheme. It's another way to buy your home where you buy a percentage and pay rent on the rest. Homemade Homes by Accent own part of it - but you're living there, you decorate it, and you decide when to sell. Buying a percentage means you'll need a smaller deposit and a smaller mortgage. You can start by buying a share of between 25% to 75%. Once you've moved in, you can carry on buying more shares - if you choose to and can afford it - until you own your home 100%.

We offer an extensive range of shared ownership homes across the country, and have helped families, couples and people buying alone to find the right home for them. From apartments to detached houses, from Surrey to Yorkshire, we can help you find what you're looking for.

Visit [homemadehomes.com/information/](https://homemadehomes.com/information/) or speak to our sales team to find out more about shared ownership.
