LATIMER DELIVERS MORE

LATIMER
by Clarion Housing Group

Latimer is part of Clarion Housing Group, and is a new kind of housing developer and that means exceeding expectations to 'deliver more'. Latimer is working with communities and councils across the country. Providing tailored solutions to their needs.

Latimer is a placemaker, committed to creating spaces and homes that are amazing to live in and visit, places that appeal to a broad range of people and preferences but always with a strong focus on community and quality.

Bricks and mortar are at the foundation of everything we do. But it's a foundation on which to build more than just homes. The Latimer impact on the land we develop is positive and enhances environments. Our surplus is poured back into communities helping the Group deliver more.

Latimer is pushing the boundaries of expectation. Because affordable shouldn't mean poor-quality. Because aspirational shouldn't mean out of reach. Because accessible shouldn't mean generic. Latimer is delivering more for residents, for communities, for the future.

Latimer doesn't just deliver homes, Latimer delivers social impact.

Latimer delivers more.

RICHARD COOK
GROUP DIRECTOR OF DEVELOPMENT

ASHMERE AT EBBSFLEET

Ashmere is part of a new community of homes located in the Eastern Quarry, a former chalk quarry with a history that stretches back as far as the Romans. The quarry's white cliffs are a striking backdrop and a strong influence on the architectural design of the homes at Ashmere.

Choose from a range of shared ownership properties – one and two bedroom apartments and two and three bedroom houses – that have ready access to green public spaces, a large adventure play area, a new lake with an array of wildlife and easy connections around Ebbsfleet Garden City, to Bluewater (which is located on the former Western Quarry) and into London.

All homes have been designed to suit modern lifestyles, with useful storage inside and out, contemporary fixtures and fittings and charging points for electric cars. These are spacious, comfortable homes, made to the Built for Life Standard, that enable people to put down roots and live in an environmentally friendly way.

Careful consideration has been given to the creation of walking and cycling routes, to make Ashmere a safe and healthy place for people of all ages to enjoy. Local shopping streets offer residents essential and fresh goods and create a welcoming meeting point for neighbours and friends.

Ashmere's design stems from an exciting vision of 21st century living. Health and wellbeing sit at the heart, a new school is being built, local employment is being created and a vibrant community is the result, one that attracts and retains every generation.

The architectural practice leading the design, PRP Architects, understand that people want to live in characterful communities that contain a variety of homes and where everything they need is on their doorstep. So every neighbourhood within Ashmere has a mix of properties, easy access to shops and its own public realm where planting and seating encourage people to meet and build connections.

The new primary school at Ashmere will be an exemplary teaching environment, with light and airy classrooms, sports facilities and an emphasis on promoting an active and healthy lifestyle from an early age. There are also many other well-regarded schools in the area at both primary and secondary level.

Surrounding Ashmere there are several green spaces with their own distinctive character, including Darenth Country Park, Graylands Gorge Park, Northfleet Urban Country Park and Swanscombe Heritage Park. The choices are phenomenal whether you want to discover the local wildlife, take a Sunday afternoon stroll or put in the training for your next marathon.

If a day of shopping and dining is more in order, Bluewater is under two miles away. With over 300 stores and wide-ranging brands, it is open every day of the week, with a closing time of 9pm Monday to Saturday. Shop all day, then relax with a meal at one of the many restaurants available.

ABOUT EBBSFLEET

The original garden cities were the visionary idea of Ebenezer Howard, who imagined a new way of designing and planning places for people to live, in stark contrast to the high density and industrial environments of cities. Ebbsfleet Garden City is a remarkable reinterpretation of that vision for modern living.

Only 20 miles from Central London, Ebbsfleet is in a strategic position that allows people to commute easily to the city while enjoying incredible nature on their doorstep. The high quality new homes being built will benefit from the many green spaces, parks, cycleways, pathways and water features that make up the fantastic outdoor environment.

The new Ebbsfleet International station is the focal point for local business investment, as well as offering a fast commute into King's Cross St. Pancras. Up to 30,000 jobs will be created in the surrounding area, with employees enjoying green, modern working environments, as well as access to the many sporting facilities and outdoor spaces available.

Most of all Ebbsfleet has been designed to be an inspiring and inclusive place to live, where an active lifestyle is easy, people can meet in attractive and safe environments, and where modern public transport links enable communities to connect and community spirit to grow.

SHARED OWNERSHIP

Shared Ownership is an excellent way for you to take your first steps onto the property ladder and become a homeowner. We've produced a full, step-by-step guide that you can find on the Latimer website, and given some key information here that you need to know.

Shared Ownership is also known as part buy, part rent and is designed to be a stepping stone to you owning your home outright. You buy a share of your home – as much as you can afford – starting from as little as 25% and rising up to 75% of the property's value. You then pay subsidised rent to us on the remaining share of your home.

Over time, you can buy more shares in your Shared Ownership property, meaning you can own your home outright. This process is known as 'staircasing'. It is a good idea to start thinking about staircasing even before you buy, so you have a plan for owning more of your property.

The deposit required for a Shared Ownership mortgage is lower than if you were purchasing a property outright. This is because it is calculated on the initial share you are purchasing, rather than the full value of the property.

EXAMPLE : PURCHASING 25% OF A PROPERTY VALUED AT £200,000

1 YOUR DEPOSIT

Your 25% share of this property would be worth £50,000, meaning you would need a 5% mortgage deposit of £2,500.

2 YOUR MORTGAGE

A mortgage lender could loan you the remaining £47,500 to make up the full value of your 25% share.

3 YOUR RENT

You will then pay subsidised rent to Latimer on the remaining 75% of the property you don't own.

Am I eligible for Shared Ownership?

To be eligible for Shared Ownership you will need to meet certain requirements set by Homes England and the Greater London Authority (GLA). You could be eligible for Shared Ownership if:

- You are at least 18 years old
- You cannot afford to buy a home that suits your household's needs on the open market
- You have savings to cover a mortgage deposit and can obtain a mortgage
- Your household earns £80,000 or less (£90,000 or less inside London)
- You are a first-time buyer

If you already own a home and need to move but cannot afford to – or you have equity from a recent sale – please contact us, as there are some circumstances under which you may still be eligible.

In some cases, due to criteria set by local authorities, you may be asked to show a connection to the local area where you're looking to buy. For instance, you might currently live and/or work there.

Maximum incomes and further eligibility requirements may vary for each scheme. Speak to a member of our sales team if you have any doubts.

Before you purchase a Shared Ownership home, we will put you in touch with an independent mortgage adviser who will assess whether the purchase is affordable for you and take you through all your options.

MAKING A POSITIVE IMPACT

The homes we create at Latimer are homes for life, meaning we deliver more to the communities our homes are part of and do more to protect the environment they're located in.

Economic impact

Latimer developments deliver more than just new homes. The planning process considers the potential for prosperity and opportunity as much as it does the nuts and bolts of the build. All developers have a legal obligation to the local community, but at Latimer we deliver more than what is required by law.

Latimer projects benefit communities through job generation, green places, fresh faces and vibrant social spaces.

Our economic impact starts when we buy the land, and continues far into the future through our tenants and the relationships we build.

Environmental impact

Guided by UN Principles and targeting net zero. From the centre of the city to rural retreats, Latimer homes will always maximise fresh air and green spaces.

Our homes are designed and built to keep our residents, and the world they live in, healthy.

Our projects are future facing, because the homes we create are homes for life, not just for profit.

Social impact

We create spaces that generate Social Energy. We design high-quality homes and spaces that help foster a sense of community, building a sense of inclusion, safety and happiness.

Communities are created in the shared spaces, the green spaces, the open doors and the passing places. When you bump into your neighbour in the gardens or you share a lift to your floor, these are the moments that generate relationships. At Latimer we spend the same time and energy on creating those spaces as we do on the design, layout and production of your homes.

OUR DEVELOPMENTS

Latimer builds homes for both outright sale and shared ownership throughout the nation. From contemporary apartments to family homes. From rural landscapes to iconic city centres.

Each of our developments utilise our expertise and share our commitment to quality. From iconic locations to beautiful craftsmanship and the best materials, we deliver more spaces for our residents and their communities thrive.

The Latimer logo is synonymous with high-quality design and a commitment to excellence. We partner with architects, designers and contractors that share our values.

Once built and occupied, our customer service and after care continue to uphold our core values of providing happiness and delivering more.

A WORD FROM OUR CUSTOMERS

“Happier than ever”

EMMA FINLAY-SMITH

HOMEOWNER AT
OAK POINT, PORTSLADE

“Moving house was completely new to me and I discovered that the cost of renting had increased dramatically. Finding a new home had not been on our agenda and my family and I were stuck between not wanting to leave our close community, but being financially unable to continue renting in the area. When we realised Shared Ownership applied to us, the search for a new-build home began and fortunately we found the wonderful Oak Point. I was so impressed with Oak Point that we decided to buy a two bedroom semi-detached house off-plan. When it came to completion day, my expectations were exceeded and we’ve been over the moon since we moved in in January. The modern features of our house are fantastic and I love all the hightech appliances. We would never have these luxuries if we were still renting. This home is working so well with my family’s day-today lifestyle and we’re happier than ever.”

“This space is all mine”

BECKS ROSEN

HOMEOWNER AT
JUNCTION WEST, SOUTHALL

“It’s an absolute dream to own my own space. Unfortunately, I’m part of a generation who will really struggle to buy their own place and I’d honestly just presumed it was out of reach for me. I discovered the Shared Ownership scheme when it popped up online whilst I was doing my research. It was only then that I realised that this was a possibility.”

“I’m not a big earner and have lived hand-to-mouth for most of my adult life. I really never thought at my age, with what I am currently earning, that I could actually buy somewhere. It completely took me by surprise.”
