Local area connection

To meet the needs of local people most of our homes for sale require a local connection to the area. The connection criteria varies between sites, but generally it's based on:

- Being a resident (or employed within) the area for a number of years (usually between 2 to 5)
- Family connections – for example, parent, grandparent, child, grandchild or adult sibling – who have lived in the area for at least three years.

Priority will be given to applicants who have a connection to Tewkesbury, Cheltenham and Gloucester City Boroughs.
