Shared Ownership – an introduction

Unleash your dreams of homeownership with the Shared Ownership scheme!

Whether you are leveraging a mortgage or using your savings, you are not stuck at your initial share. In most cases you can keep buying more, bit by bit, until you own 100% of your dream home.

But what if life takes a new turn? No worries! You can sell your share anytime, taking any equity you have built right along with you. It is flexible, it is feasible, it is the future of homeownership!

Did you know?

The combined monthly cost of rent and your mortgage payment is often cheaper than privately renting a similar home or buying outright. Visit [homemadehomes.com/calculator](https://www.homemadehomes.com/calculator) to get an estimate on what your monthly costs could look like.

This initiative, backed by the Government, is your golden ticket to climb the property ladder. It is a game-changer, a door-opener to that next step in home buying that might have seemed like a distant dream. No longer is that dream home out of reach. With Shared Ownership, it is right there at your fingertips!

Imagine stepping into a home that has been tailored to your budget, where you own a share - anywhere from 10% to 75%. You are not a tenant; you are a part-owner, paying rent only on the share you do not yet own.

What are the benefits of Shared Ownership?

Unshakeable security

Say goodbye to the uncertainty of private rentals. With Shared Ownership, your home is your castle, offering long-term peace of mind. No more intrusive inspections or sudden notices to vacate. Your home, your rules!

Ride the property wave

As a Shared Ownership homeowner, you are not just living in your home; you are investing in it. If property values rise, so does the value of your share. When it is time to sell, you will reap the benefits of any increase in your share value.

Unleash your creativity

This is not just a house; it is your canvas. Paint the walls, hang your favourite art, or transform the garden into a personal oasis. Dreaming of a loft conversion or a new extension? Just check in with us and let us make it happen!

Lower deposits, higher dreams

Forget about hefty deposits based on the full market value. With Shared Ownership, your deposit is calculated on your share of the home. It is a game-changer, making homeownership more accessible than ever before.

	Traditional Home Purchase	Buying 25% share with Shared Ownership	Buying 40% share with Shared Ownership
Full Market Value	£250,000	£250,000	£250,000
Share Value	N/A	£62,500	£100,000
5% Deposit	£12,500	£3,125	£5,000

*The exact percentage will be determined by eligibility, affordability, and development specific criteria.
 *Some Shared Ownership homes limit the maximum share you can purchase; we will let you know if this applies to your home.
 # The deposit percentage amount will depend on your individual eligibility with mortgage lenders. Five percent is considered a minimum and you may benefit from lower mortgage rates if you have a higher deposit available.
