YOUR FUTURE AT KNIGHTS REACH

Latimer at Knights Reach is a new residential development located in a highly connected area of Dartford, in north Kent. We are adding to its advantages with a collection of one and two bedroom apartments and two, three and four bedroom houses, all available with Shared Ownership.

As with everything we build, all meet the highest modern standards, without compromise on quality or visual appeal, and we are proud to put our name to them.

You'll be part of a bigger picture at Knights Reach, so you can settle in and plan for the future. Apart from new homes, the proposals include play areas, plentiful open space, a health centre, a community orchard and shops. The town of Dartford is just over 2 miles from home, and the fantastic local connections include high speed rail services into London and nearby links to the M25.

LATIMER DELIVERS MORE

LATIMER
by Clarion Housing Group

Latimer is part of Clarion Housing Group, and is a new kind of housing developer and that means exceeding expectations to 'deliver more'. Latimer is working with communities and councils across the country. Providing tailored solutions to their needs.

Latimer is a placemaker, committed to creating spaces and homes that are amazing to live in and visit, places that appeal to a broad range of people and preferences but always with a strong focus on community and quality.

Bricks and mortar are at the foundation of everything we do. But it's a foundation on which to build more than just homes. The Latimer impact on the land we develop is positive and enhances environments. Our surplus is poured back into communities helping the Group deliver more.

Latimer is pushing the boundaries of expectation. Because affordable shouldn't mean poor-quality. Because aspirational shouldn't mean out of reach. Because accessible shouldn't mean generic. Latimer is delivering more for residents, for communities, for the future.

Latimer doesn't just deliver homes, Latimer delivers social impact.

Latimer delivers more.

CHIEF DEVELOPMENT OFFICER

OUTSTANDING SHOPPING AND SCHOOLS

One of the best things about Latimer at Knights Reach is that it's just a five minutes' drive from Bluewater, one of the country's biggest and best shopping centres. Its 300 stores include giants like M&S and John Lewis as well as all the fashion, tech, gifts, beauty, sport and homeware brands you could want. There's a luxury cinema, a huge choice of restaurants and coffee shops, a skating rink and Hangloose Adventure for those who seek thrills on a zipwire.

Dartford town centre has further shopping options in The Orchards, and major supermarkets including Sainsbury's and Aldi. There are two independent arts and entertainment venues, The Orchard Theatre and the Mick Jagger Centre, named in honour of one of Dartford's most famous sons.

As for schools, you and your children couldn't be in a better place. Dartford has two grammar schools rated Outstanding by Ofsted, and there are a large number of schools for all ages nearby with Outstanding and Good ratings.

EXPLORING NORTH KENT

The surrounding countryside is a mixture of hilly farmland and wide horizons, dotted with picturesque villages where you might spot a traditional oast house or two.

Latimer at Knights Reach is a couple of miles from two fairly new country parks. The nearest is at Darenth, on the edge of the North Downs above the Darent Valley. Attractions here include a well-stocked orchard, picnic and play areas. Beacon Wood Country Park has rich woodland and ponds, and is a delightful spot for walks and wildlife-spotting. Farningham Woods are ancient, and have been a nature reserve for nearly 40 years, allowing some rare species to become established. You can discover them by following the park's network of footpaths.

If you enjoy a riverside meander, the Darent Valley Path is something of a hidden gem which winds 19 miles from the River Thames to just north of Sevenoaks. Pretty villages, water mills, castles and lavender fields can all be encountered along the way.

MORE ABOUT LATIMER

Why buy with Latimer?

Latimer is the development arm of Clarion Housing Group, developing private homes in thriving, mixed-use communities.

Clarion Housing Group is the UK's largest provider of affordable housing, with over 125,000 homes and more than 360,000 residents across the country. As part of Clarion Housing Group, Latimer has an unrivalled balance sheet with net assets of over £7bn and a turnover of close to £1bn per annum. For the past 125 years, we've been building communities that work for the long-term.

The Clarion story started with William Sutton, a 19th century entrepreneur who gifted his entire fortune (£230 million in today's money) to build affordable housing across major cities in the UK. We have been delivering on his legacy ever since. The majority of homes we build will always be for affordable tenures, but building homes for private sale is crucial for our business to develop both mixed sustainable communities and recycling any profits we make from private sales back into building and maintaining more affordable homes.

What sets Latimer apart is our long-term commitment to the people who live in our homes. We don't build and then simply move onto the next site; we create places for families to thrive and all of our work is built on strong financial foundations, meaning we are a dependable partner.

We also want every Latimer community to be socially and environmentally sustainable. That means a consistent commitment to high quality and low carbon properties.

Our model is very different to other developers. We don't have shareholders, so we don't face short-term demands to make profit at any cost. Instead, we are driven by our commitment to quality, community and places that succeed.

As a Group, we have a committed development pipeline of over 16,000 new homes and have ambitions to become a top ten home builder in the UK over the next 5-7 years. If you buy a Latimer home, you will be buying into an organisation with more than 125 years of history and an enduring commitment to building communities that succeed.

Whatever the stage of your property-owning journey, we're here for you. Read on to find out how we can help you get the keys to your very own home.

Buying a home with Shared Ownership gives you an accessible and flexible way to buy your dream home.

With Shared Ownership, you buy a share of your home – as much as you can afford – starting from as little as 10%, and rising up to 75% of the property’s value. You then pay subsidised rent to Clarion Housing Association on the remaining share of your home. The scheme is sometimes called part buy, part rent.

The deposit required for a Shared Ownership mortgage is lower than if you were purchasing a property outright. It is usually 5–10% the initial share you are purchasing, rather than on the full value of the property. You only need a mortgage to cover the price of your share.

Once you’ve moved in, you can, if you wish, begin to buy more shares in your home until you own it outright. This process is known as staircasing. It is a good idea to start thinking about staircasing even before you buy, so you have a plan for owning more of your property. We have tools available to help you get an idea of the current value of your home and to understand how much you can afford to buy.

There’s more information on Shared Ownership in the step-by-step guide that you can find on the Latimer website: latimerhomes.com

EXAMPLE: PURCHASING 25% OF A PROPERTY VALUED AT £200,000

1 YOUR DEPOSIT

Your 25% share of this property would be worth £50,000, meaning you would need a 5% mortgage deposit of £2,500.

2 YOUR MORTGAGE

A mortgage lender could loan you the remaining £47,500 to make up the full value of your 25% share.

3 YOUR RENT

You will then pay subsidised rent to Latimer on the remaining 75% of the property you don’t own.

Eligibility for Shared Ownership

To be eligible for Shared Ownership, you will need to meet certain requirements set by Homes England.

You could be eligible if:

- You are at least 18 years old
- You cannot afford to buy a home that suits your household’s needs on the open market
- You have savings to cover a mortgage deposit and can obtain a mortgage
- Your household earns £80,000 or less
- You are a first-time buyer

If you already own a home and need to move but cannot afford to – or you have equity from a recent sale – please contact us, as there are some circumstances under which you may still be eligible.

In some cases, due to criteria set by local authorities, you may be asked to show a connection to the local area where you’re looking to buy. For instance, you might currently live and/or work there.

Maximum incomes and further eligibility requirements may vary for each scheme.

Interested in buying with Shared Ownership?

Your first step is to visit www.latimerhomes.com to browse all the Shared Ownership properties in the areas you are interested in. If you see something you like, register your interest on the website by entering your contact details and a few basic facts to help us assess your eligibility for Shared Ownership. We will then put you in touch with an independent Mortgage Advisor who will assess whether the purchase is affordable for you and take you through all your options.

MAKING A POSITIVE IMPACT

The homes we create at Latimer are homes for life, meaning we deliver more to the communities our homes are part of, and do more to protect the environment they're located in.

Environmental impact

Our projects are future-facing, with homes designed and built to keep our residents and the world they live in healthy. From city centres to rural retreats, Latimer developments will always maximise fresh air and green spaces, and protect local wildlife and natural assets. As an intrinsic part of our efforts to minimise environmental impact, we are targeting net zero carbon compatible by 2030 at all developments.

Economic impact

All developers have a legal obligation to the local community, and the planning process considers every development's potential for bringing prosperity and opportunity as well as the nuts and bolts of the build.

At Latimer however, we deliver more than what is required by law. Latimer developments also benefit communities through job generation, green places, fresh faces and vibrant social spaces. Our economic impact starts when we buy the land, and continues far into the future through our customers and the relationships we build.

Social impact

We create spaces that generate social energy. By this, we mean that we design high-quality homes and spaces that help foster a sense of community, building a sense of inclusion, safety and happiness. Communities are created in the shared spaces, the green spaces, the open doors and the passing places. When you say hello to your neighbour in the gardens or you share a lift to your floor, these are the moments that generate relationships. At Latimer, we spend the same time and energy on creating those spaces as we do on the design, layout and production of our homes.

OUR DEVELOPMENTS

Latimer builds homes for both outright sale and Shared Ownership throughout the nation, from contemporary apartments to family homes, in locations ranging from rural landscapes to thriving towns and iconic city centres.

The Latimer brand is synonymous with high-quality design and a commitment to excellence. This encompasses the locations we choose as well as the beautiful craftsmanship and the materials we use. We partner with architects, designers and contractors who share our values.

Once the homes are built and occupied, our customer service and aftercare continue to uphold our core values of providing happiness and delivering more.

These are a selection of our developments, please visit latimerhomes.com to explore more.

A WORD FROM OUR CUSTOMERS

Australian-born Asta purchased 35% of a two-bedroom Shared Ownership house at Latimer's Castle Hill in Ebbsfleet after over a decade of renting in London and Kent. After years of renting a draughty Grade II listed monastery in Cobham, Kent, Asta is now enjoying the comfort of her energy-efficient new-build home.

She explains the drastic difference in comfort: "In my old home, I was always freezing with drafty windows, while here the double glazing and modern insulation make it so much more comfortable." Asta has also noticed significant savings in energy bills, paying just £126 a month compared to £500 previously.

Shared Ownership allowed Asta to escape the high rents of Cobham and get onto the property ladder sooner. "It's been a great long-term investment," she says, and she plans to buy more shares in the future. In addition to lower bills, the move has given her the freedom to personalise her space and security without worrying about a landlord selling the property.
