A NEW COMMUNITY AND WAY OF LIFE

A great place to live

Overlooking the majestic Firth of Forth, this blossoming neighbourhood benefits from a growing number of handy amenities and easy access to nearby Edinburgh.

Firth View belongs to the growing new town of Blindwells, located at the heart of East Lothian. The masterplan is to establish a thriving Community of 1,600 new homes complete with green spaces, education facilities, a healthcare hub, local retail outlets and many other services to support a healthy, fulfilling lifestyle.

Here you will be able to enjoy all the conveniences of modern living within an attractive landscaped setting. A local supermarket and wellbeing facility are planned, with space for additional businesses paving the way for a bustling town centre on the doorstep. Enhancing this sustainable lifestyle will be a new network of footpaths and cycleways — perfect for taking in East Lothian's breathtaking surroundings. And should the brighter lights beckon, Edinburgh's cultural attractions are only a 15-minute train ride away.

Families will be pleased to learn there are a number of good primary schools in the area. Including the brand-new Blindwells Primary School opening in August 2025, along with a nursery, parks and play areas suitable for children of all ages.

Blindwells' proximity to forty miles of picturesque coastline makes Firth View ideal for enjoying outdoor living. When you're not exploring the region's myriad castles and beaches, you might want to treat yourself to fine dining at nearby Gullane, try your luck at Musselburgh Race Course or meander round the wealth of shops in the popular market town of Haddington. East Lothian is also home to some of Scotland's best golf courses.

Research by the Home Builders Federation (HBF)* shows that new homes are much more environmentally friendly than older equivalent properties, emitting on average just 1.22 tonnes of carbon a year, compared to the 3.51 tonnes that existing properties emit.

At Places for People, we design and build our homes to maximise energy efficiency, using energy-saving lighting, eco-appliances and water-saving devices as well as excellent insulation to reduce your carbon footprint and keep your utility costs down. Our homes are rated from A to C.

Buying a new home can be good for your bank balance too. The HBF calculates that buyers of new homes pay on average 50% less a year for their heating, hot water and lighting costs

compared to owners of older properties, saving them a total of £780. Buyers of new-build houses save even more at around £979 annually.

When you buy your new home at Firth View, our experienced sales team will be with you every step of the way to guide you through the home-buying process. When you buy a home from Places for People, you know you're in safe hands...

What we do

We are a property developer and manager with a proven track record for delivering high-quality homes in thriving Communities right across the UK. With us, you can look forward to outstanding quality and service, because we handle the whole development process — from acquiring the land, planning our sites and designing our homes, to building and selling or renting them.

As the UK's leading Social Enterprise, our overriding purpose is to create homes where Community matters. From small housing developments to large-scale regeneration projects, we tailor our homes to the needs of local People, take responsibility for our environmental impact, and put People First to build a sense of Community.

Our approach

With more than 50 years' experience of managing and developing homes, we know what it takes to build happy, healthy and inclusive places to live. All our Communities are delivered by our award-winning, specialist placemaking, property investment and management companies across the UK, who ensure the places we create meet a variety of needs, not just now but well into the future. Where others think in years, we think in decades.

What makes us different

We believe our homes should be attainable for everyone, which is why we offer a wide range of buying options, including shared ownership. So, whether you're taking your first step onto the property ladder or looking for your forever home, there's a place to suit your individual needs.

We listen to our Customers too — and give them what they ask for: bright, spacious homes with flexible living areas that easily adapt to work or play, plenty of storage and that all-important private outdoor space. In our well-connected Communities, you'll have all the services and facilities you need on your doorstep — from shops, restaurants, schools and healthcare to beautiful green open spaces offering a natural retreat from the busyness of modern life.

Because when you buy from us, you're not just buying a home — you're buying into a Community; a place where you can belong, build connections and put down roots to last a lifetime.

steps to secure your dream home

Here's what your home buying
journey looks like...

Purchasing a Places for People home has never been easier. Whether you're buying for the first time or you're an existing homeowner looking to move up the ladder, we've kept things simple so you're free to enjoy this next exciting phase.

From the moment you get in touch to that exhilarating day when you pick up your keys (and even after you've settled in), our friendly, experienced sales executives will be right by your side, supporting and guiding you every step of the way.

Book a viewing

Arrange an appointment to come and see us in person. That way you can explore our Community and quality products first-hand, to discover for yourself why it's the perfect place to put down roots.

Determine your budget

You should apply for a 'mortgage in principle', which confirms how much you can borrow — and — more importantly — how much you can afford. We can refer you to an Independent Financial Advisor (IFA).

Instruct a solicitor

Now you've reserved your new home, it's important to instruct a solicitor to handle the legal aspects of the purchase. We can recommend independent solicitors or you can choose your own.

Conclude Missives

This is when things become official! Once you're happy with the legal contracts, you can sign them, pay your deposit and arrange a completion date to move into your new home.

Attend a home demonstration

Before completing, we'll arrange for you to attend your new home demonstration — a great opportunity to get to know your new home and understand how everything works before you move in.

Get expert advice

Whether you need support with mortgages, selling your existing property or stepping onto the property ladder, our sales team will guide you through the different ways to purchase your dream home.

Reserve your home

Once you're happy you've found the home of your dreams, you can reserve your chosen plot! Our team will guide you through the reservation process and all aspects of your home buying journey.

Apply for a mortgage

If you're purchasing your new home with a mortgage, now is when you should contact your mortgage lender or IFA to let them know they can proceed with your mortgage application.

Get ready to move

Now is the time to organise buildings and contents insurance, arrange removals quotes and set up or transfer accounts for TV, internet and utilities suppliers ready for when you change address.

Complete and move in

Legal completion is that happy moment when you take ownership of your new home! Your mortgage lender will transfer the funds, you pay any outstanding costs and we arrange handover of your keys!
