DISTINCTIVE ESSEX CHARM

Great Dunmow is lively enough to feel full of energy, yet never loses the relaxed atmosphere that makes everyday life enjoyable, the kind of place where a quick trip into town easily turns into an impromptu catch-up over coffee.

There is always something bringing the community together too. From the chaos and laughter of the Soapbox Race to the wonderfully quirky tradition of the historic Flitch Trials, the town holds onto its character in a way that feels genuine rather than staged.

For families, life settles into an easy rhythm. Well-regarded schools, local sports clubs and plenty of open green space mean children grow up outdoors as much as indoors, with parks, activities and countryside adventures never far away.

And beyond the town itself, the surrounding countryside becomes part of daily life with scenic footpaths, quiet cycling routes, cosy pubs and long weekend walks that naturally end with lunch somewhere welcoming. It is warm, sociable and the sort of place that feels familiar surprisingly quickly.

ENDLESS FAMILY FUN

This is where historic streets, open countryside and a strong sense of community come together, creating a way of life that feels relaxed, sociable and unmistakably Essex.

Start your Saturday easing into the day with coffee and fresh pastries at Frank's Coffee Lounge before browsing the independent boutiques, delis and local businesses that line Great Dunmow's historic High Street. It is the kind of town where familiar faces, market days and centuries-old buildings still shape everyday life.

When friends and family come to stay, there is no shortage of ways to spend the weekend. Discover hidden gardens and open countryside at Little Easton Manor, enjoy family afternoons at Great Notley Country Park with its giant adventure playground and walking trails, or take younger children to Boydells Dairy Farm for outdoor play and animal encounters.

There is plenty of personality in the town's social calendar too, from open-air concerts and seasonal markets to the ever-popular Great Dunmow Soapbox Race, when the High Street fills with crowds, laughter and homemade carts racing downhill. Afterwards, long lunches and relaxed Sunday afternoons are best spent in one of the area's cosy countryside pubs.

Evenings can be as laid-back or lively as you like, with local pubs and restaurants perfect for dinner with friends, while nearby Braintree and Bishop's Stortford offer cinemas, cocktail bars and late-night spots for a change of pace.

This is your Great Dunmow, sociable, well-connected and full of everyday charm.

HOW SHARED OWNERSHIP WORKS FOR YOU

No sharing with housemates. Not just for first-time buyers. Buy with a smaller deposit. Shared ownership is a flexible, affordable route into homeownership.

With shared ownership, you buy a share of your home – as much as you can afford – starting from as little as 10%, and rising up to 75% of the property’s value. You then pay subsidised rent to Clarion Housing Association on the remaining share of your home. The scheme is sometimes called part buy, part rent.

The deposit required for a shared ownership mortgage is lower than if you were purchasing a property outright. It is usually 5-10% the initial share you are purchasing, rather than on the full value of the property. You only need a mortgage to cover the price of your share.

Once you’ve moved in, you can if you wish begin to buy more shares in your home until you own it outright. This process is known as staircasing. It is a good idea to start thinking about staircasing even before you buy, so you have a plan for owning more of your property. We have tools available to help you get an idea of the current value of your home and to understand how much you can afford to buy.

There’s more information on shared ownership in the step by step guide that you can find on the Latimer website: latimerhomes.com

Example: Purchasing 25% of a property valued at £200,000

YOUR DEPOSIT

Your 25% share of this property would be worth £50,000, meaning you would need a 5% mortgage deposit of £2,500.

YOUR MORTGAGE

A mortgage lender could loan you the remaining £47,500 to make up the full value of your 25% share.

YOUR RENT

You will then pay subsidised rent to Clarion on the remaining 75% of the property you don’t own.

AM I ELIGIBLE FOR SHARED OWNERSHIP?

To be eligible for Shared Ownership you will need to meet certain requirements set by Homes England You could be eligible for Shared Ownership if:

- You are at least 18 years old
- You cannot afford to buy a home that suits your household’s needs on the open market
- You have savings to cover a mortgage deposit and can obtain a mortgage
- Your household earns £80,000 or less (£90,000 or less inside London)

RICHARD COOK
CHIEF DEVELOPMENT OFFICER

Latimer
**GREAT HOMES,
GREAT COMMUNITIES.**

MAKING A POSITIVE IMPACT

The homes we create at Latimer are homes for life, meaning we deliver more to the communities our homes are part of, and do more to protect the environment they're located in.

ENVIRONMENTAL IMPACT

All developers have a legal obligation to the local community, and the planning process considers every development's potential for bringing prosperity and opportunity as well as the nuts and bolts of the build. At Latimer however, we deliver more than what is required by law. Latimer developments also benefit communities through job generation, green places, fresh faces and vibrant social spaces. Our economic impact starts when we buy the land, and continues far into the future through our customers and the relationships we build.

ECONOMIC IMPACT

Our projects are future facing, with homes designed and built to keep our residents and the world they live in healthy. From city centres to rural retreats, Latimer developments will always maximise fresh air and green spaces, and protect local wildlife and natural assets. As an intrinsic part of our efforts to minimise environmental impact, we are targeting net zero carbon compatible by 2025 at all developments.

SOCIAL IMPACT

We create spaces that generate social energy. By this we mean that we design high-quality homes and spaces that help foster a sense of community, building a sense of inclusion, safety and happiness. Communities are created in the shared spaces, the green spaces, the open doors and the passing places. When you say hello to your neighbour in the gardens or you share a lift to your floor, these are the moments that generate relationships. At Latimer we spend the same time and energy on creating those spaces as we do on the design, layout and production of our homes.

OUR DEVELOPMENTS

Latimer builds homes for both outright sale and shared ownership throughout the nation, from contemporary apartments to family homes, in locations ranging from rural landscapes to thriving towns and iconic city centres.

The Latimer brand is synonymous with high quality design and a commitment to excellence. This encompasses the locations we choose as well as the beautiful craftsmanship and the materials we use. We partner with architects, designers and contractors who share our values. Once the homes are built and occupied, our customer service and after care continue to uphold our core values of providing happiness and delivering more.
