HOW SHARED OWNERSHIP WORKS FOR YOU

No sharing with housemates. Not just for first-time buyers. Buy with a smaller deposit. Shared ownership is a flexible, affordable route into homeownership.

With shared ownership, you buy a share of your home – as much as you can afford – starting from as little as 10%, and rising up to 75% of the property’s value. You then pay subsidised rent to Clarion Housing Association on the remaining share of your home. The scheme is sometimes called part buy, part rent.

The deposit required for a shared ownership mortgage is lower than if you were purchasing a property outright. It is usually 5-0% of the initial share you are purchasing, rather than on the full value of the property. You only need a mortgage to cover the price of your share.

Once you’ve moved in, you can if you wish begin to buy more shares in your home until you own it outright. This process is known as staircasing. It is a good idea to start thinking about staircasing even before you buy, so you have a plan for owning more of your property. We have tools available to help you get an idea of the current value of your home and to understand how much you can afford to buy.

There’s more information on shared ownership in the step by step guide that you can find on the Latimer website: latimerhomes.com

Example: Purchasing 25% of a property valued at £200,000

YOUR DEPOSIT

Your 25% share of this property would be worth £50,000, meaning you would need a 5% mortgage deposit of £2,500.

YOUR MORTGAGE

A mortgage lender could loan you the remaining £47,500 to make up the full value of your 25% share.

YOUR RENT

You will then pay subsidised rent to Latimer Homes on the remaining 75% of the property you don’t own.

AM I ELIGIBLE FOR SHARED OWNERSHIP?

To be eligible for Shared Ownership you will need to meet certain requirements set by Homes England You could be eligible for Shared Ownership if:

- You are at least 18 years old
- You cannot afford to buy a home that suits your household’s needs on the open market
- You have savings to cover a mortgage deposit and can obtain a mortgage
- Your household earns £80,000 or less (£90,000 or less inside London)

RICHARD COOK
CHIEF DEVELOPMENT OFFICER

Latimer
**GREAT HOMES,
GREAT COMMUNITIES.**

MAKING A POSITIVE IMPACT

The homes we create at Latimer are homes for life, meaning we deliver more to the communities our homes are part of, and do more to protect the environment they're located in.

ECONOMIC IMPACT

All developers have a legal obligation to the local community, and the planning process considers every development's potential for bringing prosperity and opportunity as well as the nuts and bolts of the build. At Latimer however, we deliver more than what is required by law. Latimer developments also benefit communities through job generation, green places, fresh faces and vibrant social spaces. Our economic impact starts when we buy the land, and continues far into the future through our customers and the relationships we build.

ENVIRONMENTAL IMPACT

Our projects are future facing, with homes designed and built to keep our residents and the world they live in healthy. From city centres to rural retreats, Latimer developments will always maximise fresh air and green spaces, and protect local wildlife and natural assets. As an intrinsic part of our efforts to minimise environmental impact, we are targeting net zero carbon compatible by 2025 at all developments.

SOCIAL IMPACT

We create spaces that generate social energy. By this we mean that we design high-quality homes and spaces that help foster a sense of community, building a sense of inclusion, safety and happiness. Communities are created in the shared spaces, the green spaces, the open doors and the passing places. When you say hello to your neighbour in the gardens or you share a lift to your floor, these are the moments that generate relationships. At Latimer we spend the same time and energy on creating those spaces as we do on the design, layout and production of our homes.

OUR DEVELOPMENTS

Latimer builds homes for both outright sale and shared ownership throughout the nation, from contemporary apartments to family homes, in locations ranging from rural landscapes to thriving towns and iconic city centres.

The Latimer brand is synonymous with high quality design and a commitment to excellence. This encompasses the locations we choose as well as the beautiful craftsmanship and the materials we use. We partner with architects, designers and contractors who share our values. Once the homes are built and occupied, our customer service and after care continue to uphold our core values of providing happiness and delivering more.
