HACKNEY WICK

LIVE
CANALSIDE

Set amongst canal boats, in the triangle where Hackney Cut meets the River Lea and Hertford Union canal. Add to this Queen Elizabeth Olympic Park and Victoria Park, the area has a lot of nature to enjoy.

Take a bike ride, a stroll down the tow paths, or sample the variety of canal-side bars available.

If you fancy something more energetic, world-class sports facilities in Queen Elizabeth Olympic Park sit side-by-side with Stratford Westfield's bars, restaurants and shopping.

Lock №19 has great views of some of London's most interesting architecture, with the Olympic Stadium just across the canal, and Stratford's ever changing skyline. Enjoy them from your balcony in selected apartments.

Private landscaped gardens

Providing a well needed
break from the Capital's
concrete and designed to
be enjoyed - a great place
to meet the neighbours,
sit and chat.

LOCATION

It's so quiet at Lock №19 you wouldn't believe it's just a short walk to Victoria Park and Hackney Wick station.

Lock №19

Location

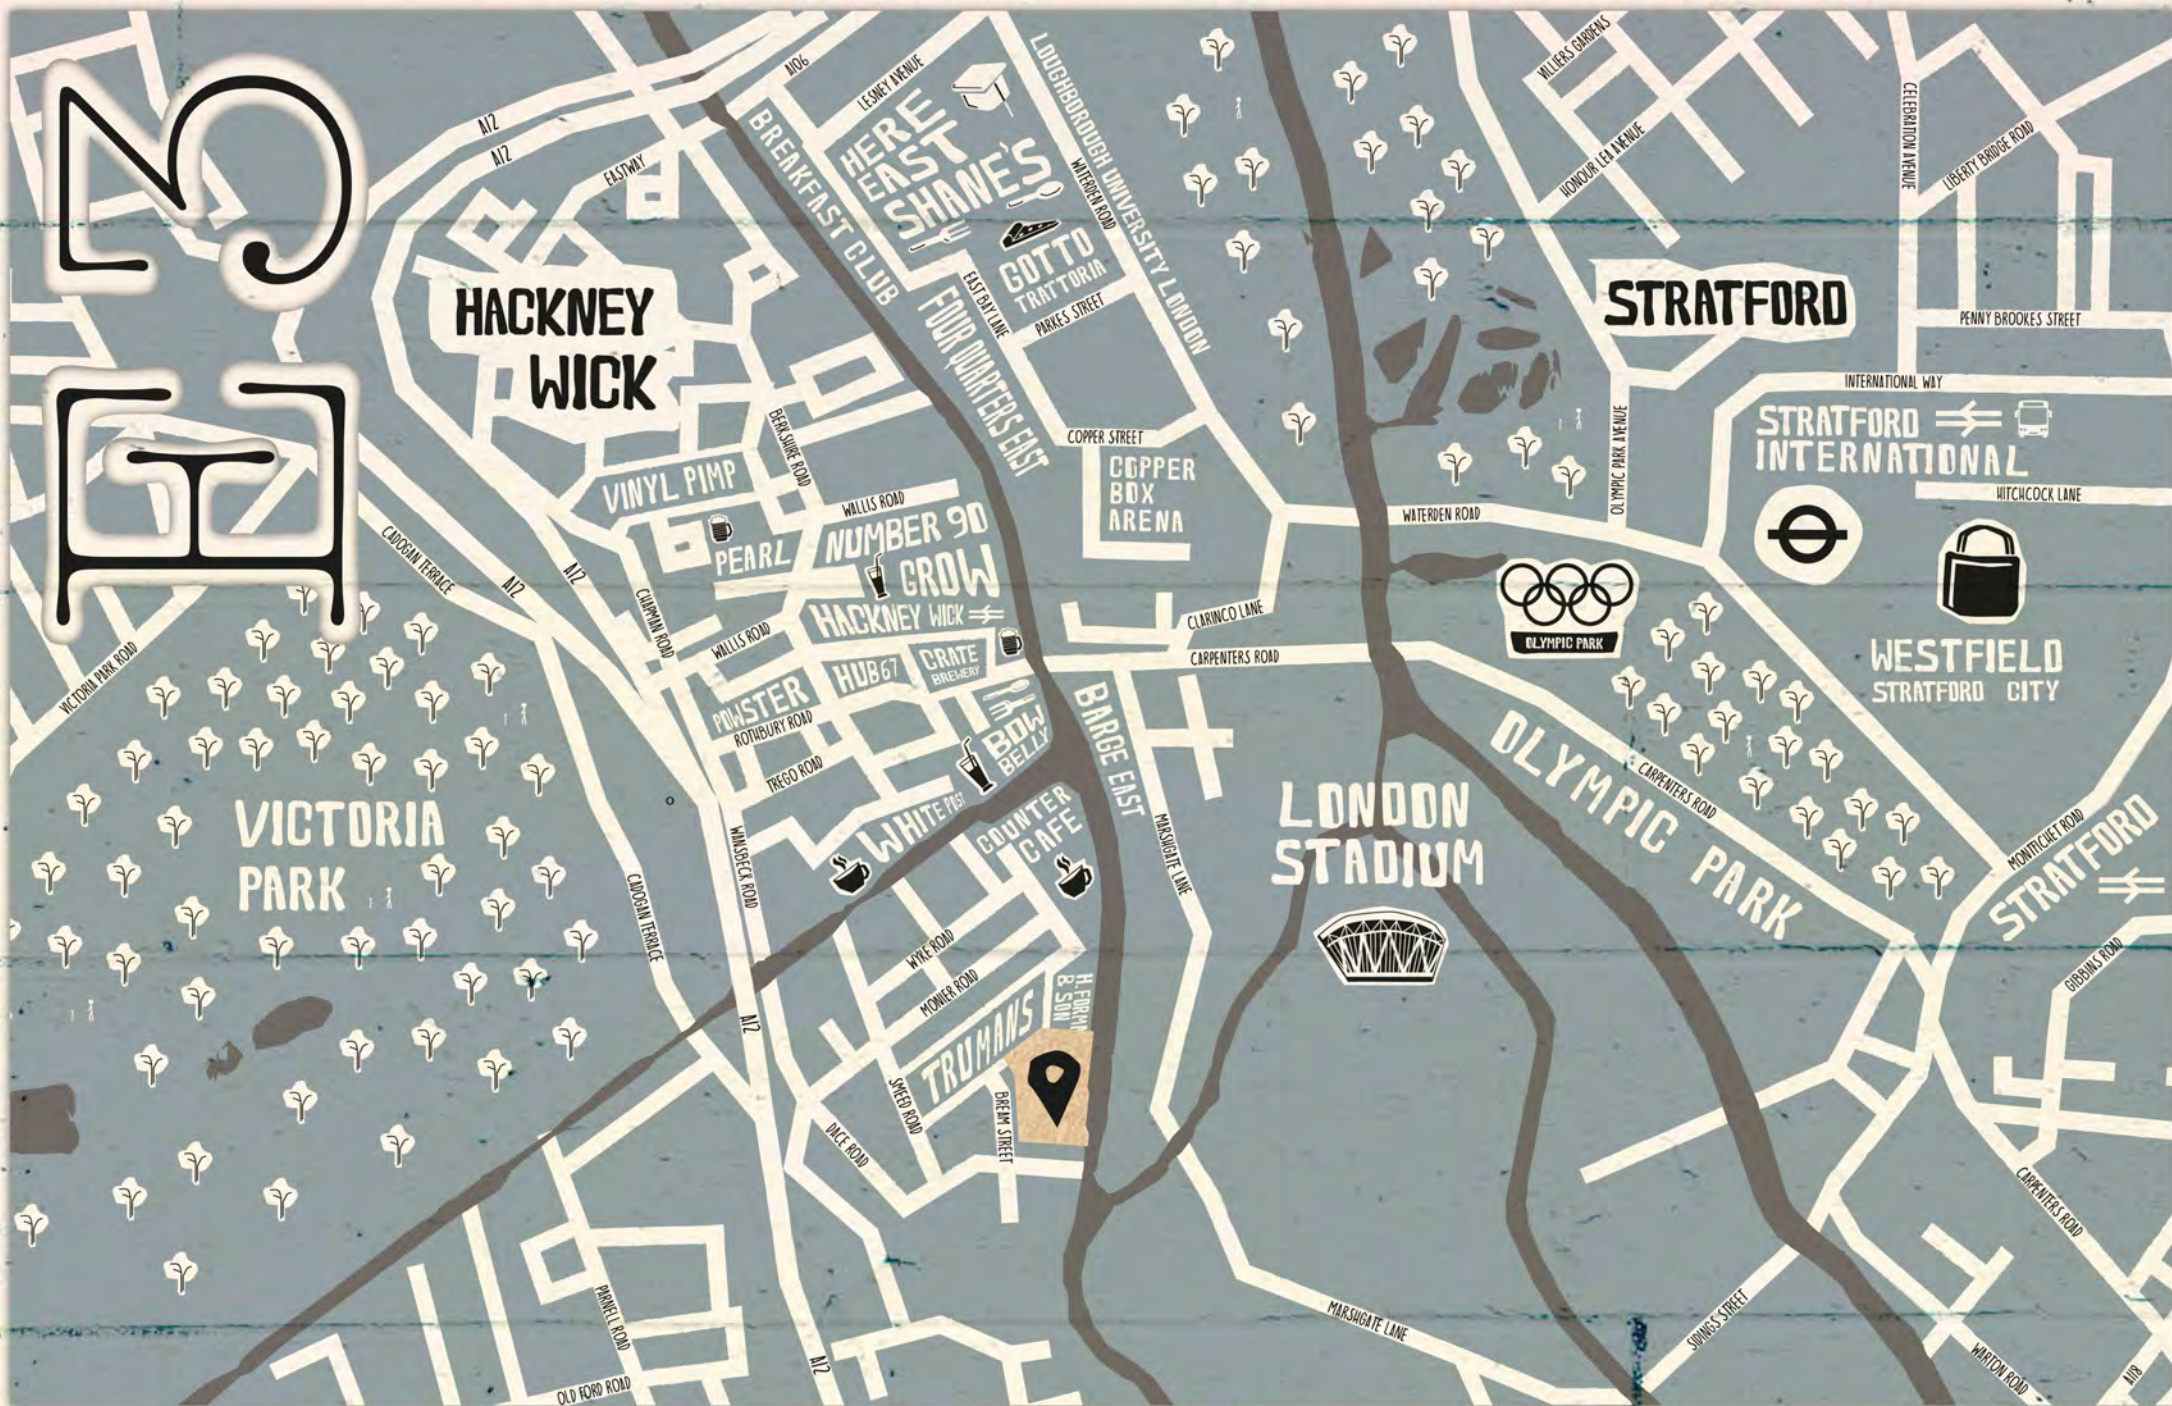

To know East London is to Love East London

The East End is literally moving the heart of London eastwards. At the centre of this movement is Hackney. Historic markets, quirky craft stores, secret fashion venues and pop up art exhibitions or restaurants, this area has it all.

L&Q

L&Q is a leading residential developer, founded over 60 years ago because homes matter to everyone. It plays a key part in helping shape some of the most exciting, diverse and dynamic regions in the country, including London and the south east.

L&Q creates high quality homes and places people love to live. Its award-winning approach designs thriving communities to suit a whole range of aspirations, incomes and stages of life. It leads major residential and mixed-use developments and is committed to working with like-minded partners to help solve the housing crisis and meet its vision to deliver 100,000 new homes.

L&Q invests in places for the long term. Its Community Foundation aims to build opportunity and confidence in each area and helps local people into sustainable careers. As a charitable housing association, every penny of any surplus is invested back into providing more new homes and services for its residents.

All information in this document is correct at the time of going to print 2020. Computer generated images are for illustrative purpose only. Images provided of the proposed development do not show final details of gradients of land, boundary treatments, local authority street lighting or landscaping. Maps not to scale. We aim to build according to the layout, but occasionally we do have to change property designs, boundaries, landscaping and the position of roads, footpaths, street lighting and other features as the development proceeds. All services and facilities may not be available on completion of the property. Should you have any queries, please direct them through your legal representatives.
