Two & three bedroom houses

Northstowe H7, Cambridgeshire

Location

Northstowe is an exciting, new development located on the site of the former RAF Oakington base and surrounding farmland between Cambridge and Huntingdon. Northstowe is a sustainable new development that is richly steeped in local history, giving it an identity that is entirely unique and one that promotes health and wellbeing. This development is built by Barratts and has a selection of two and three bedroom houses, making them ideal for first time buyers and families a like.

Sitting just to the North of Cambridge amongst neighbouring villages is Northstowe, a new town which when completed in around 2024, will be the largest new settlement in the UK since Milton Keynes was created over 50 years ago.

Comprising almost 10,000 new homes, Northstowe will be home to more than 24,000 people who will be able to enjoy all the new amenities and infrastructure which the town will have to offer including cycleways, a guided busway, green spaces, shops and schools as well as a number of community recreation facilities in line with NHS England's Healthy New Town principles.

How does the Shared Ownership Scheme work?

If buying a home seems out of reach, Shared Ownership* could be the answer and offers a great alternative to renting. Initial shares of between 25% and 75%** of our properties are available, you will pay a subsidised rent on the remaining share. In the future you can purchase further shares in your home***, or sell your share and move on.

*Properties are offered as leasehold

**Shares offered are based on business need

***Some properties are restricted to the level of share you can purchase.
