# Invest in the future

*and own your own home*

**Introducing L&Q at Millbrook Park, a collection of 1, 2 and 3 bedroom Shared Ownership homes from L&Q, one of London's leading residential developers.**

L&Q Shared Ownership opens the door to owning your own home where you want to live, in a prime location in north west London.

One of London's original villages is still here, and the area has lost little of its green appeal. Visibly rooted in its twin histories of 18th-century hamlet and vibrant Victorian suburb, today's Mill Hill has a genuine homegrown community. It offers places to explore, amenities to enjoy, hidden delights to discover, and good transport links. Shared Ownership with L&Q at Millbrook Park gives you the opportunity to settle in an area where you really want to be.

**Our vision is to make quality living accessible through Shared Ownership. Light and airy apartments, each with a private balcony or terrace. Well-designed buildings in materials that complement the natural environment, and buildings that sit happily in the landscape.**

# Things to do, places to go

**L&Q at Millbrook Park gives you the chance to own in a much-loved part of North London with Shared Ownership. Your new home is perfectly placed for everything Mill Hill has to offer.**

Enjoy the rare joy of strolling to an empty tube train in less time than it takes to boil a kettle. Visit the village for a pint or some good wine in one of its three lovely pubs. Tick off all your shopping list, from everyday groceries to urban luxuries, on the Broadway, in North Finchley, or not very far beyond.

The area is packed with great little cafés and good quality restaurants. It has walks, rides and views to enjoy, every day of the week.

Venture out a little further and you'll find all kinds of places to explore. Mill Hill is a springboard into Hertfordshire and its grand country houses, quintessentially English villages, and towns – like St Albans and Welwyn – with a surprising Roman past.

North London's suburbs have their surprises too. Who would have thought that the Harry Potter film sets are intact down to the last prop, and open to tour in Watford? Or that Hendon has hangars full of fighter jets?

These places and many more are all a short drive, Tube or train trip away. Go and explore, and have some great days out.

# Getting to know L&Q

We've been building homes since 1963 and are committed to creating homes and neighbourhoods everyone can be proud of.

At L&Q we believe passionately that people's health, security and happiness depend on where they live. We create better places to live by delivering high quality homes, neighbourhoods and housing services that people can afford.

With over 50 years' experience, we have what it takes to do things right. We aim to deliver great service to every customer, every time, and we're always looking for ways to improve ourselves.

Our relationships are built on trust, transparency and fairness and we're there when we're needed – locally responsive and working hard to keep the communities we serve safe and vibrant.

Because our social purpose is at the core of what we do, we reinvest all the money we make into our homes and services.

We are dedicated to quality homes and quality services – we are L&Q.

## A relationship built on trust

We know that trusting your seller is essential to feeling safe and happy in your new home. That's why we aim to be as clear as possible on things such as maintenance, safety, responsiveness and future reinvestment.

After legal completion, your property benefits from a twelve-year warranty — the first two years of which are covered by us. Your Customer Care Manager will also be on hand to make sure you're happy with your new home and help with any issues that may arise.

Your sales associate can provide you with more details on the L&Q New Homes Warranty and the NHBC Buildmark Choice.

## Building better homes and communities

We remain fully committed to tackling the housing crisis and have the land, the skills and the ambition to enable the delivery of 100,000 quality new homes nationwide.

At least half of our new homes will be genuinely affordable to people on average and lower incomes, with the rest available for private rent or sale.

Better homes

*and better living*

The Consumer Code sets mandatory Requirements that all Home Builders must meet in their marketing and selling of Homes and their after-sales customer service. The Consumer Code for Home Builders (the Code) is an industry-led scheme which gives protection and rights to the purchasers of new homes, ensuring that new home buyers are treated fairly and are fully informed about their purchase before and after they sign the contract. London & Quadrant Housing Trust agree to comply with the Code requirements. The Code benefits both home builders and buyers by aiming to improve on the already high levels of customer satisfaction and therefore enhancing the reputation of the industry.

All information in this document is correct at the time of publication going to print 11/2020. Computer generated images are for illustrative purposes only and dimensions are not intended to form part of any contract or warranty. Individual features such as windows, bricks and other material colours may vary, as may heating and electrical layouts. Images provided of the proposed development do not show final details of gradients of land, boundary treatments, local authority street lighting or landscaping. We aim to build according to the layout, but occasionally we do have to change property designs, boundaries, landscaping and the position of roads, footpaths, street lighting and other features as the development proceeds. All services and facilities may not be available on completion of the property. Should you have any queries, please direct them through your legal representatives. The contents of this brochure should not be considered material information for the purposes of purchasing a home.
