A place which has seen and heard so many tales

The changing landscape of Trent Park

The area was first established in 1136 by Geoffrey de Mandeville, 1st Earl of Essex. He is believed to have lived in a manor house at Camlet Moat, set within the grounds.

The earl devised a boundary around Enfield Wood and converted it into a fabled hunting park frequented by monarchs such as Henry VIII, Elizabeth I, James I and Charles I.

Its hunting heritage led to the area being known as Enfield Chase. Today, it's called Trent Park, but the original title lives on in the name of a nearby railway station.

Secret listeners in Trent House during World War II

British military intelligence officers of World War II, 1943

The World War II listening post

During the war, Trent House was requisitioned by the War Office and used as a Prisoner of War camp for captured German Generals. But unknown to them, it had a hidden purpose.

Secret listeners in the house's basement as well as bugged objects and hidden microphones were used to record their conversations and provide intelligence into Nazi battle plans, submarines and even their atomic bomb research.

The listening project was the brainchild of Lieutenant Colonel Thomas Kendrick, who worked for MI19, part of military intelligence.

Perhaps his greatest coup was when one loose-tongued general let slip about his visit to a Nazi secret weapons establishment. This is where the infamous V1 doodlebugs and V2 rockets were developed. Because of what had been learned by the eavesdroppers at Trent Park, the area was heavily bombed, greatly delaying the introduction of these deadly weapons and saving many lives.

Getting to know your surroundings

Our Shared Ownership apartments sit within the Bruton House and Lyon House buildings in the heart of Trent Park's illustrious grounds, adjacent to the Daffodil Lawn and the historic Mansion House in view.

We also have The Chase Collection, Beran House, Barnham House and Milner House located in front of The Kendrick Collection with views across the golf course. They accommodate 1, 2 & 3 bedroom apartments also available with Shared Ownership.

The development layout does not show details of gradients of land, boundary treatments, local walkways or street lighting or landscaping. It is our intention to build in accordance with this layout. However, there may be occasions when the apartment design, boundaries, landscaping and positions of roads and footpaths change as the development proceeds. Please speak to a Sales Consultant for more details.

balanced way of life*

Here, where town meets country, is an ideal setting for putting down roots. This exclusive development covers 56 acres within the 413 acres of mature parkland of Trent Park. Work from home in an idyllic setting, take an easy ride to the centre of town, or access the M25 within a few minutes. Everything is within reach.

Take a lesson at the Trent Park Equestrian Centre and go riding in the park. Also a short stroll away is the Southgate Hockey Centre, which additionally offers all-weather football pitches and Nordic walking. For an adrenaline adventure, head for the zip wire at Go Ape, Cockfosters and experience speeds of up to 45 mph.

For everyday relaxation, simply take a stroll in the park, watch the mandarin ducks on the lakes or maybe even spot a Muntjac deer. Mixing ancient woodland and grassland, Trent Park is also home to rare trees and orchids. Go wherever your mood takes you, or follow the walking routes that pass historic memorials such as Sassoon's Obelisk, the Duke's Pyramid and Camlet Moat.

Browse the local shops and boutiques of Cockfosters High Street, an easy walk away. Join friends for lunch at Miracles Bistro or Skewd Kitchen, then have evening cocktails or an intimate dinner at La Petite Auberge. Let Shared Ownership be your step onto the property ladder

This home ownership scheme allows you to buy an initial share in your home and rent the remaining share. Over time, you can then buy more shares in your home until you own the full 100%. Find out more...

Q: How does Shared Ownership work?

The Shared Ownership scheme is simple, you buy an initial share of between 30% and 75% of the home's full value and pay a subsidised rent on the remainder. You may purchase further shares (up to 100%) as your circumstances change, should you choose to.

Q: Do I need to live or work in the area?

Priority will be given to people who live or work in the London Borough of Enfield for a period following release. Thereafter you do not need to live or work in the Borough to be able to purchase a home.

Q: How do I know what percentage I can purchase?

You can purchase any share from 30% to 75% of the initial purchase price. You will be asked to speak to a financial advisor to assess what share you can buy that is both affordable and sustainable.

Q: Will I need a deposit?

Yes, you still need a deposit, but only on the percentage of the property you are buying. Mortgage deposits can often be from 10% of the share value.

Q: Is it cheaper than renting?

Shared Ownership can be cheaper than renting privately as the mortgage cost and low rent usually add up to less than the equivalent rental payments to a landlord.

Q: What if I already have a home?

If you already own a property you would need to have confirmed the sale of your home when you apply to buy via Shared Ownership. Your application would be assessed based on your housing need for you to be considered for Shared Ownership.

Q: Can I buy a property on my own?

If you earn or have a household income up to a maximum of £90,000 per annum, you could be eligible. You can also use Shared Ownership to buy alone or with another person as long as your joint incomes don't exceed the maximum earnings bracket.

Q: How is the rent calculated?

On the share you don't own, we charge a rent of between 1.90% and 2.75%, depending on which apartment you choose. Our Sales Consultant and your financial advisor can give you further details based on your specific circumstances.

YOU BOUGHT:

30%

SHARE OF YOUR NEW HOME

YOUR DEPOSIT:

10%

DEPOSIT ON THE SHARE VALUE

Q: Can I buy additional shares in the property?

Yes, you can. This is known as "staircasing". When you buy more shares in your home, your home is revalued and you buy the shares at the current market value, at the time you are buying the shares. You can staircase up to 100%.

When you own your apartment 100% you will also benefit from the use of the on-site swimming pool and gym.

Q: Can I rent out my property?

You cannot grant an assured shorthold tenancy on a Shared Ownership property. If you want to get a lodger you can, however, you need to be able to afford to purchase the home without any assistance.

Q: Will I have to pay Stamp Duty?

When you buy a share in one of our homes you will have to pay a Stamp Duty Land Tax (SDLT). We advise you consult your Solicitor as to the amount payable at the point of your legal completion.

There are two ways to pay on a newly built (new Lease) property. Making a one-off payment based on the total market value of the property or paying any SDLT due in stages. If you decide to make a one-off payment upfront this is known as making a "market value election". If you choose to pay SDLT in stages then you pay SDLT on the initial purchase amount. Should you choose to pay SDLT in stages, you will not have to make any further payments until you own more than an 80% share of the property.

Q: What if I want to sell my property?

When you want to sell your Shared Ownership home Legal & General Affordable Homes has a time period specified within your lease to offer the property to another eligible shared owner. If we are unable to source a suitable purchaser in this time, you can put the property on the open market.

"You don't need our permission for decorating"

Q: How will I pay my rent?

Legal & General has appointed a Management Provider, Pinnacle Group, to manage your rental account and will collect the rent on our behalf. They will be in touch with more information nearer the time of completion.

Q: Who will manage my property and the communal areas of the building?

Our Management Provider, Pinnacle Group, will manage your property. They are your first point of contact for any queries about your home. They will collect rent and service charges, and help you if you want to staircase or sell. They will also oversee the work of Cluttons, who have been appointed by Berkeley Homes to carry out the management and maintenance of the building and communal areas, on behalf of all Trent Park residents.

Q: What does my service charge include?

Service charges are fees that each property contributes to for the maintenance of the common internal and external areas such as the on-site security, shuttle bus, landscaping, cleaning and building insurance. This charge will be collected with your monthly rent payment by Pinnacle Group. Your Sales Consultant will provide you with the cost and your Solicitor will be provided with the breakdown of what the costs cover.

Q: What is the length of the lease?

The lease is for 125 years.

Q: Can I decorate and make improvements to my home?

Yes, you don't need our permission for decorating or simple repairs, however, you would need to get permission for larger works to ensure it does not affect the structure of the building.

About Legal & General

There is a shortage of affordable housing in the UK, especially in places where people prefer to live. The high level of deposit required to buy a home outright means many people can't afford to access a new home and are stuck renting.

Legal & General Affordable Homes was created to make a real difference to the number of affordable homes available in England. Our purpose is to increase the supply of affordable housing by investing long-term institutional capital to build more affordable homes for those that need them.

We are a subsidiary of Legal & General Capital who invest in key sectors where there has previously been a shortage of investment and innovation. Our sister companies, such as CALA Homes and Legal & General Modular Homes are testament to the commitment Legal & General are making to housing provision, innovation and environmental sustainability in the UK.

We aim to build 3,000 affordable homes per year by 2023, with half available as Shared Ownership. We are committed to providing well managed, high-quality homes with excellent customer service.

We look forward to welcoming you as a Legal & General customer and helping you build your future at Trent Park.

Quality

We aim to bring you the best possible experience in every aspect of your new home. That's in location, design, furnishing, environment and, above all, value.

Customer Service

We're committed to providing first-class customer service, from the moment you walk into the reception to when you open the door of your new home in one of our developments.

Sustainability

We work to minimise the environmental impact of what we do. That means reducing carbon emissions, using renewable materials and following sustainable design and building processes.
