Life in Lichfield.

Are you dreaming of owning your own home but think you can't afford it?

Think again – shared ownership can make that dream a reality.

Shared ownership is a scheme that allows you to buy a share of your property, usually between 40% and 75%, and pay subsidised rent on the rest.

It's a great way to get on the property ladder and often proves to be more affordable than renting.

There are certain criteria that you need to match to be eligible for shared ownership so to get all the details please go to bromford.co.uk/buyahome to find out more.

An affordable way to get on the housing ladder.

You'll notice that on most of our property listings we say that a local connection to the area is needed.

This is because the homes for sale in these areas have been built specifically to help meet the needs of local people who can't afford to get on the housing ladder any other way.

The local area connection criteria varies between sites, but generally it's based on:

- **Being a resident (or employed within) the area for a number of years (usually between 2-5)**
- **Family connections – for example, parent, grandparent, child, grandchild or adult sibling – who have lived in the area for at least three years.**

Priority will be given to applicants who have a connection to Lichfield District Council.

Next steps

- Check the local area connection
- Register with the Help to Buy agent for the area you're looking to buy in
- Get in touch and we'll talk you through the affordability assessment
