You'll find yourself at the heart of a buzzing city community, with everything you need for exercise, culture, retail therapy and socialising - as well as fast access to the City - right on your doorstep.

With surrounding local shops and further communal spaces planned, Feature 17 sets high standards in urban design creating a new, vibrant community and a place you will love to call home.

The area is known for its colourful variety of pubs, bars and coffee shops, as well as artisan food, quirky stores and independent boutiques set among historic sights and on the edge of ancient woodland.

### ACTIVE, DYNAMIC AND WELL-CONNECTED

You'll find a host of small parks, open spaces and gyms locally, with plenty of opportunities for running, cycling, swimming, sports and working out. Walthamstow Cricket, Tennis & Squash Club is just the other side of Wood Street station, and just over a mile from Feature 17 you'll find Waltham Forest Feel Good Centre, with its gym, fitness pool, spa and running track, and Waltham Forest College's popular community pool.

Looking to take a break from concrete, glass and steel? The southernmost tip of Epping Forest is around a ten-minute walk away at Whipps Cross, where you'll find fields and woodland criss-crossed by a network of tracks and paths that open up routes northwards into the whole Epping Forest region alongside many other activities along the Lee Valley. The area around Hollow Lake is particularly gorgeous, and great for stopping off at The Log Cabin or the Lakeside Diner for coffee and snacks after a bit of a ramble. There's also Walthamstow Wetlands on the doorstep, a truly unique nature reserve.

If you'd prefer a break from walking, Scene 2 has plenty of local cycling routes nearby for you to get out and about on two wheels, while public transport into the city couldn't be easier. Trains from Wood Street overground station take 25 minutes to reach Liverpool Street, while the Victoria Line from Walthamstow Central can get you to Oxford Circus in 22 minutes.

With a location in an up-and-coming regeneration area and sleek, distinctive design setting it apart from every development around it, Scene 2 is not only an exciting place to live but a great investment for your future.

# OUTDOOR SPACES TO ENJOY

FROM COURTYARD MEWS, PRIVATE GARDENS, PATHS AND CYCLE WAYS TO A MULTI-PURPOSE GAMES PITCH, THERE IS PLENTY OF SPACE TO ENJOY AND RELAX IN

## A BALANCED LIFESTYLE

YOU'LL PROBABLY HAVE NOTICED HOW OUTDOOR SHARED SPACES ARE A KEY ELEMENT OF FEATURE 17'S DESIGN, PROVIDING A FOCUS FOR PLAY, INTERACTION AND SOCIAL ACTIVITY, AND GENERALLY HELPING THE COMMUNITY TO THRIVE. PUBLIC FEEDBACK WAS VITAL IN SHAPING THE PLAZA AND OTHER OPEN AREAS, ENSURING THEY MEET EVERYONE'S NEEDS AND OFFER PLENTY OF SPOTS TO UNWIND AND ENJOY WITHIN THE PAVED SPACES, SEATING AREAS, PLAY ZONES AND WALKWAYS.

The open plaza and tree-lined thoroughfares are designed to make life safe and easy for cyclists and also include a new multi-purpose games pitch and a cooling water feature for hot summer afternoons. Clever design has also ensured easy access for services and parking. Every apartment features an outdoor space so you're guaranteed the opportunity to enjoy the outdoors, with views over the plaza or courtyard gardens.

While its design stands out, Feature 17 integrates seamlessly with its surrounding community, with streets marrying together perfectly, while within its blocks the emphasis is on the pedestrian - providing natural, safe routes through the development's attractive plaza, park areas and walkways. At Feature 17, you can enjoy an environment which is both relaxing and stimulating, with the variety of outdoor spaces - from shared streets, courtyards, mews, private gardens, paths and cycleways to balconies and roof terraces.

# WOOD STREET

# WALTHAMSTOW VILLAGE

## TAKE TIME TO EXPLORE YOUR NEIGHBOURHOOD

FEATURE 17'S NAME IS A NOD TO WOOD STREET'S CINEMATIC HISTORY - A HUNDRED YEARS AGO, THE AREA WAS HOME TO SEVERAL SILENT MOVIE STUDIOS, LIKE BROADWEST, CUNARD AND PRECISION, WHO MOVED HERE TO AVOID THE SMOG OF INNER LONDON. CELEBRATED FILM-MAKER ALFRED HITCHCOCK WAS ALSO BORN JUST DOWN THE ROAD IN LEYTONSTONE.

Walking along Wood Street today, you'll find a thriving, diverse neighbourhood filled with cafes, independent businesses, unique shops and foods from all over the world. You'd be forgiven for being tempted into Wood Street Indoor Market (once the site of the Penny Picture Theatre Company) where an incredible mix of stalls - from vintage fashion and retro furniture to collectable vinyl, jewellery, books and holistic therapies - are ready to grab your attention and hold it for hours. Perfect for an afternoon's browsing and surprise presents!

Walthamstow has never lost its village identity. Walking up Church Lane, you find yourself entering a conservation area where time has almost stood still - an ancient Tudor house sits opposite a classic English churchyard with Georgian townhouses, almshouse cottages and a venerable parish building nearby. This is the Vestry House Museum, once a workhouse and police station, now packed with hundreds of items from the borough's history - including stills and publicity photos from the silent film era.

A short stroll around the corner, the air in old Walthamstow village centre on Orford Road is filled with rich aromas and sweet smells emanating from the cafes, specialist restaurants, deli shops and artisan bakery, as well as the convenience stores and two characterful, popular pubs. From there, breakfast pastry in hand, it's a short walk downhill into central Walthamstow - home of Lloyd Park Street Market and the longest outdoor market in Europe - where you'll find an abundance of household names, high street outlets, familiar eateries and supermarkets in its pedestrianised main strip and indoor shopping mall.

While celebrating the area's cinematic heritage, we mustn't forget Walthamstow's other famous name: William Morris. The grand 18-century house that was his home for many years is now the William Morris Gallery, housing to an incredible collection of his work, and behind it, Lloyd Park gardens are a fantastic place for a quiet walk or a summer picnic.

# DEVELOPMENT LAYOUT

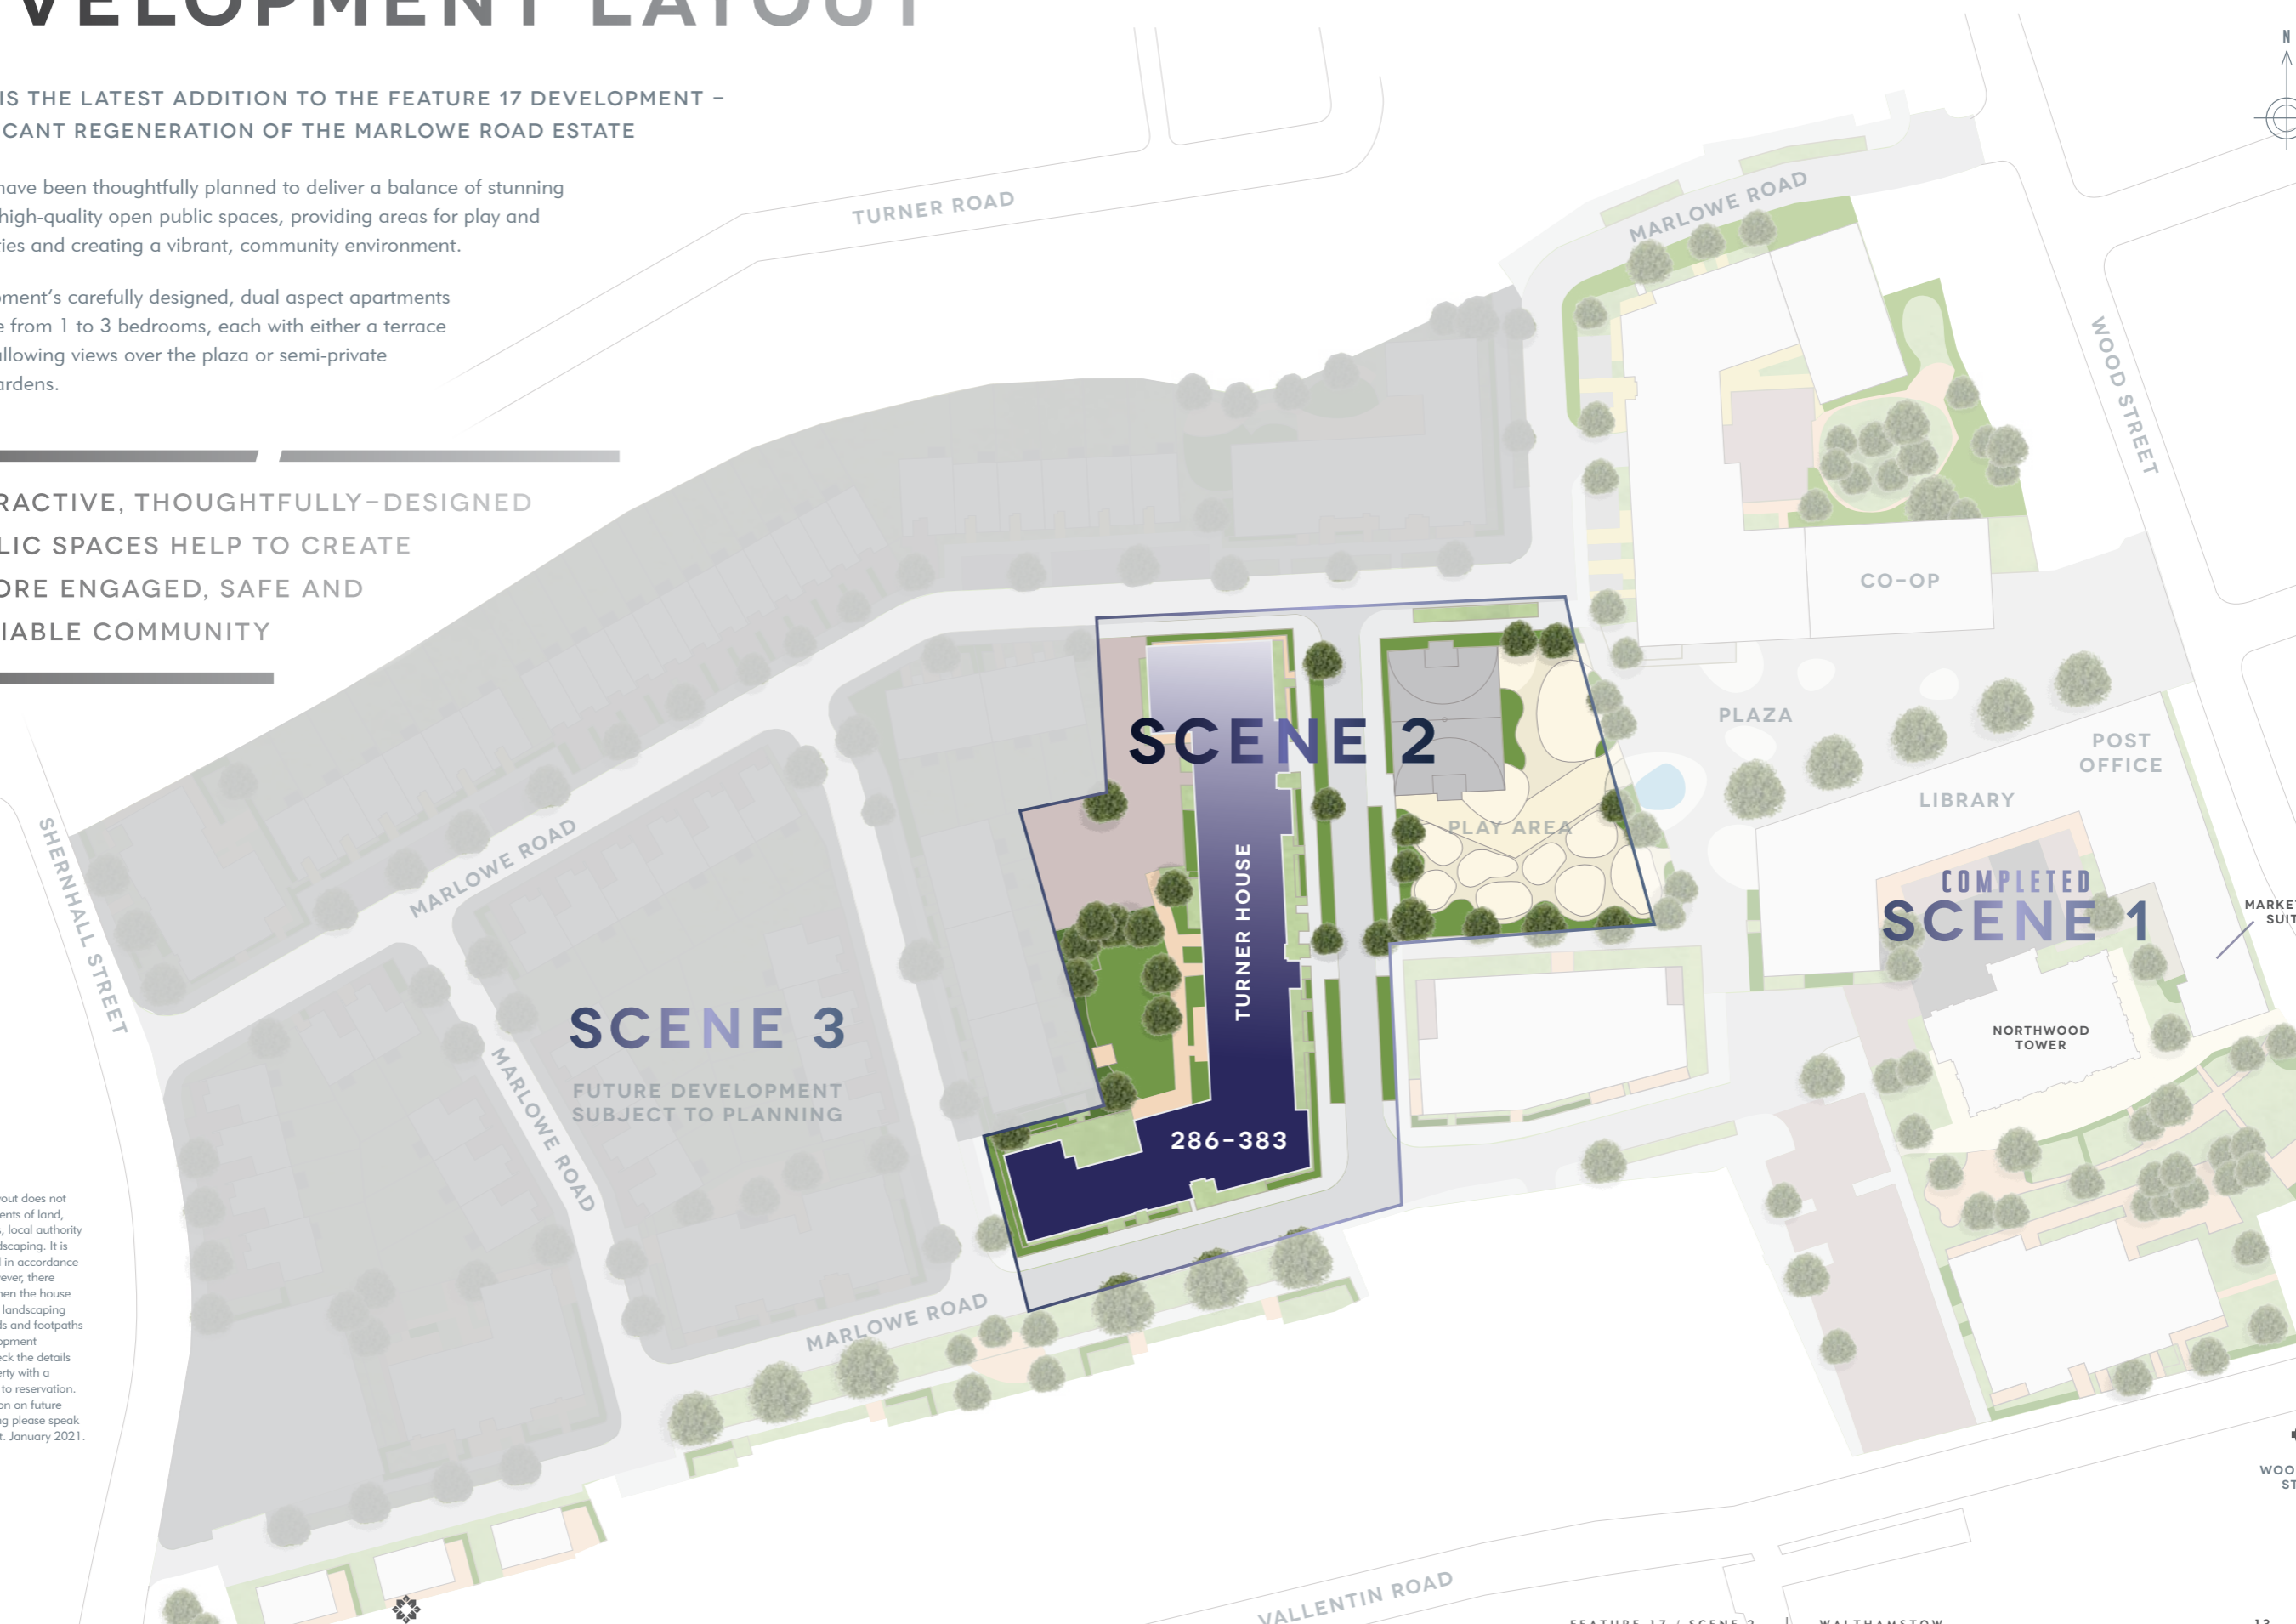

SCENE 2 IS THE LATEST ADDITION TO THE FEATURE 17 DEVELOPMENT - A SIGNIFICANT REGENERATION OF THE MARLOWE ROAD ESTATE

The blocks have been thoughtfully planned to deliver a balance of stunning homes and high-quality open public spaces, providing areas for play and social activities and creating a vibrant, community environment.

The development's carefully designed, dual aspect apartments range in size from 1 to 3 bedrooms, each with either a terrace or balcony allowing views over the plaza or semi-private courtyard gardens.

ATTRACTIVE, THOUGHTFULLY-DESIGNED PUBLIC SPACES HELP TO CREATE A MORE ENGAGED, SAFE AND SOCIABLE COMMUNITY

The development layout does not show details of gradients of land, boundary treatments, local authority street lighting or landscaping. It is our intention to build in accordance with this layout. However, there may be occasions when the house designs, boundaries, landscaping and positions of roads and footpaths change as the development proceeds. Please check the details of your chosen property with a Sales Executive prior to reservation. For further information on future development planning please speak to a Sales Consultant. January 2021.
