Spring Acres

Live, relax, step outside

Great homes for everyone

Welcome to Spring Acres

Beautiful new homes in a superb location

This stunning new country park development offers two, three, four and five bedroom homes available for outright sale and shared ownership. As a new resident of Spring Acres you will become part of a vibrant and growing community as the surrounding future development establishes itself over the coming years.

Set amongst open parkland on the edge of the semi-rural village of Bapchild, Spring Acres will provide the ideal lifestyle balance afforded by contemporary village living. With its proximity to the town of Sittingbourne, the location offers a wide range of local amenities and both excellent road and connections across Kent, the South East and beyond.

Contemporary village living

A new sustainable community with your quality of life in mind

A home at Spring Acres is situated at the outer fringe of Sittingbourne where open countryside eventually gives way to the beautiful Kentish coastline - a mere 3km away as the crow flies.

The scheme is designed to blend with its natural environment and includes new public open spaces such as The Ridgeline Park and Countryside Gap.

The Countryside Gap will be an informal open space for residents and the wider community, comprising native species grassland, tree planting and ecological enhancements, roaming pathways, a community orchard and public seating. This is bordered by the historic Thomas a Becket's spring and a historic mill pond. Over 2,200 trees and shrubs will be planted upon completion of the 200th home.

And it is the residents that will be at the heart of Spring Acres. This new community will provide the ideal setting for those taking their first steps into home ownership, families looking for extra space to grow and down-sizers seeking the tranquility of this semi-rural setting.

Buying your new home

Our in-house team of sales consultants are dedicated to providing exceptional service to our customers and we aim to make the experience of buying your new home with us as smooth, enjoyable and straightforward as possible. From your initial enquiry, through to handing you the keys to your new home, our friendly and knowledgeable team are available both in person and online, to answer your questions and help you find the home buying option that's right for you.

Outright sale

Outright sale is the traditional route into home ownership. All our homes are designed and finished to impeccable standards, with a high specification as standard, providing outstanding value and quality - We are proud of the homes we build, and offer what we like to call the 'Hyde Difference'.

Shared ownership

Shared ownership is a government-backed scheme designed to enable buyers to purchase a percentage of the equity, which is affordable to them, in a new home. The buyer then pays a subsidised rent on the unsold equity and a monthly service charge to Hyde. This means that the initial deposit required is also smaller than when you buy your home outright. We ensure we provide the same high-quality product with the same specification as buying outright.

Help to Buy

The revised Help to Buy scheme is available to first-time buyers. Under the Government backed scheme you can borrow 20% of a property's value as long as you can provide a further 5% of the value as deposit. You would then need to secure a mortgage for the remaining 75%.

Why Hyde New Homes?

Hyde New Homes is part of the Hyde Group, one of England's largest housing associations. We are proud of the homes we build and bring home ownership within reach of many more people than could otherwise afford one. To find out more about the Hyde Group, visit hyde-housing.co.uk.

Gold standard service

Our ambition is to be a truly customer-driven housing provider. This means communicating clearly and listening to you throughout your home buying journey, from the initial viewing to when you move into your new home. Through the use of technology, you can view, secure and complete your purchase from the comfort of your sofa. Our aim is to make your experience smooth and enjoyable. We also work hard to ensure you settle in comfortably and we will be in touch with you regularly over the first few months. During this time, we engage an independent research company called In-house to conduct feedback surveys on our behalf. Over 90% of customers have said they would recommend us to friends and family.
