Fascinating history meets vibrant culture

Famous for its spectacular castle and medieval architecture, Warwick is a town that perfectly combines ancient history with modern life.

Exploring Warwick is a magical experience. Its unique and attractive town centre is brimming with culture. This is partly because of the rich heritage and countless landmarks that characterise its winding streets, but also because of the museums, art galleries, and abundance of independent boutiques, cafés and tearooms there are to enjoy.

Alternatively, you could watch a show at the Bridge House Theatre, enjoy a film at the open-air cinema, or go to one of the many local festivals and events, including the popular Warwick Folk Festival and the historic racecourse.

If you're looking for a little variation, Royal Leamington Spa is just minutes away. With grand boulevards, regency architecture and a fantastic selection of amenities, this stunning town is perfect for a change of scenery.
