About

OCTAVIA

We are Octavia. Founded by the Victorian philanthropist Octavia Hill in the 1860s, our work today covers three areas: homes, support and care. We provide Londoners with quality, affordable housing, allowing many people to remain in the city who otherwise would have been priced out. We empower people, connecting them with opportunities for a better life. And we look after the elderly and vulnerable, with tailored and personalised care. We are for hope, for communities and connections. For the common good.

Shared HOW IT WORKS Ownership

Shared ownership is a government-funded scheme to help first-time buyers. It allows you to buy between 25% and 75% of a home using a mortgage, and pay rent on the remaining share. You can choose to buy further shares in the property later, when you can afford it. You can eventually own 100% of the property.

The best way to find out if Shared Ownership is affordable for you is to speak to an independent mortgage advisor about your finances. They will help you determine what is affordable and help you make the right decision. You will need a desposit and will also need to cover the costs of buying a home. These costs include things like the reservation fee, mortgage valuation fee, removal costs and utility connection charges.

ELIGIBILITY CRITERIA

				
You are a first time buyer or in the process of selling your home.	Your annual household income if buying in London must be less than £90,000..	You must be able to demonstrate that you have a good credit history and can afford the costs and regular payments involved in buying a home.	Able to obtain a repayment mortgage with an approved lender	You must not own any other property at the time you buy your new home.

RESERVE YOUR HOME IN 3 EASY STEPS

STEP 1 – CONFIRM YOUR ELIGIBILITY

Check that you meet any eligibility requirements of the development.
Please contact our sales team who will be able to help you..

STEP 2 – FIND A HOME

Browse our website and find a home that's right for you. We will put you in touch with one of the recommended Independent Financial advisors who will assess your finances for free. Once you pass the affordability requirements we'll book you in for a viewing to visit the show apartment and talk you through plans of the homes you are interested in. Once you've chosen the home you'll like to reserve send us your application form.

STEP 3 – RESERVE YOUR HOME

We'll look at your form and how you meet the affordability and eligibility points for the development. Then we'll contact you to let you know if you've been successful. If you want to go ahead, you can reserve your home with a reservation payment.
