The suggested income levels on the pricelist indicate our recommendation of the household incomes required to purchase; however, applicants on a lower income may be able to secure a property but will need to contribute a larger deposit. (i.e Where you have higher savings, your household income can be lower than the figure quoted in the above). 25% Share – *The percentage quoted is a guideline and may vary according to individual incomes and circumstances. Service charge includes Buildings insurance and a management fee and is estimated and subject to change. Your home is at risk if you fail to keep up repayments on a mortgage, rent or other loan secured on it. Please make sure you can afford the repayments before you take out a mortgage. Please note these figures are an indication only and will vary according to personal circumstances.
