TRAVEL CONNECTIONS

Watford ranks as the No.1 commuter town in Herts. It includes links into the capital via the Metropolitan Line from Watford Station, the Overground station from Watford High Street and National Rail from Watford Junction, all within walking distance of Bluebell Place.

Watford has a central location on two major arteries in and out of London, the M1 and M25 motorways, and is serviced by a direct train service that can take you to London in just 20 minutes. Watford is also a stop at the end of the Metropolitan Line on the London Underground and the popularity of homes in outer London has seen it become one of the most desirable stops on the line to live in.
