# A CORNER OF LONDON STEEPED IN HISTORY

## HISTORY OF BETHNAL GREEN

Bethnal Green emerged from the small settlement which developed around the green which is still enjoyed and now known as Bethnal Green Gardens.

By the 16th century the Hamlet of Bethnal Green applied to a wider rural area, which became a Parish, then a Metropolitan Borough before merging with neighbouring areas to form part of the new London Borough of Tower Hamlets.

**BEING SURROUNDED BY SO MUCH HISTORY GIVES YOU THE OPPORTUNITY TO EXPERIENCE LONDON'S PAST**

## PRESENT DAY IN BETHNAL GREEN

Today, Bethnal Green is an eclectic mix of students, young professionals and a variety of people from different cultures around the world. Columbia Road Flower Market is a bustling hub where locals sell their wares, while the area is also home to many famous pubs, including The Blind Beggar, which was once known as a haunt of the notorious Kray twins.

Food lovers will feel right at home, with plenty of restaurants, food shops, cafes and gastropubs on offer, as well as Brick Lane's renowned curry houses and culinary markets.

Nestled between Bethnal Green and Spitalfields, Corner Place offers residents sublime London living in the heart of the city's vibrant and bustling East End.

Bethnal Green Gardens is just a stone's throw away, while the calming open spaces of Weavers Fields and Victoria Park are both just a short walk from the development.

The apartments are close to several schools in the area, as well as various shops, supermarkets, pubs, restaurants and takeaway establishments.

# ALL YOU NEED TO KNOW ABOUT SHARED OWNERSHIP

**YOU CAN PURCHASE AT CORNER PLACE IF YOU DO NOT OWN ANOTHER PROPERTY AND HAVE A HOUSEHOLD INCOME OF LESS THAN £90,000 PER ANNUM.**

You start by buying a share between 25% and 75% and pay a subsidised rent to us on the rest.

This helps reduce the amount of deposit you need (so you can save for it faster) and makes the monthly mortgage repayments more manageable.

The great thing about Shared Ownership is that, at any time in the future, you can buy additional shares in your home until you own all of it – we call this ‘Staircasing’.

As you purchase more shares, the rent reduces, and when you own 100% you will not need to pay rent at all. To begin the process, you will need to have a financial assessment to establish your affordability, have a deposit ready and savings to pay for legal and conveyancing costs.

Once we know how much you can afford and that you’re approved for a mortgage, you can reserve a home with just £500 (deducted on completion of your purchase).

## ABOUT US
