LATIMER DELIVERS MORE

LATIMER
by Clarion Housing Group

Latimer is part of Clarion Housing Group, and is a new kind of housing developer exceeding expectations to 'deliver more'. Latimer is working with communities and councils across the country, providing tailored solutions to their needs.

Latimer is a placemaker, committed to creating spaces and homes that are amazing to live in and visit, places that appeal to a broad range of people and preferences but always with a strong focus on community and quality.

Bricks and mortar are at the foundation of everything we do. But it's a foundation on which to build more than just homes. The Latimer impact on the land we develop is positive and enhances environments. Our surplus is poured back into communities helping the Group deliver more.

Latimer is pushing the boundaries of expectation. Because affordable shouldn't mean poor quality. Because aspirational shouldn't mean out of reach. Because accessible shouldn't mean generic. Latimer is delivering more for residents, for communities, for the future.

Latimer doesn't just deliver homes, Latimer delivers social impact.

Latimer delivers more.

RICHARD COOK
GROUP DIRECTOR OF DEVELOPMENT

VIBRANT COMMUNITIES CREATED BY LATIMER

LATIMER

by Clarion Housing Group

Latimer is the private 'for sale' development arm of Clarion Housing Group, developing private homes in thriving, mixed-use communities.

Clarion Housing Group is the UK's largest provider of affordable housing, with over 125,000 homes and more than 350,000 residents across the country. As part of Clarion Housing Group, Latimer has an unrivalled balance sheet with net assets of over £7bn and a turnover of close to £1bn per annum. For the past 100 years we've been building communities that work for the long term.

The Clarion story started with William Sutton, a 19th century entrepreneur who gifted his entire fortune (£230 million in today's money) to build affordable housing across major cities in the UK. We have been delivering on his legacy ever since. The majority of homes we build will always be for affordable tenures, but building homes for private sale is crucial for our business to develop both mixed sustainable communities and recycling any profits we make from private sales back into building and maintaining more affordable homes.

What sets Latimer apart is our long-term commitment to the people who live in our homes. We don't build and then simply move onto the next site; we create places for families to thrive and all of our work is built on strong financial foundations, meaning we are a dependable partner.

We also want every Latimer community to be socially and environmentally sustainable. That means a consistent commitment to high-quality and low-carbon properties.

Our model is very different to other developers. We don't have shareholders, so we don't face short-term demands to make profit at any cost. Instead, we are driven by our commitment to quality, community and places that succeed.

As a group, we have a committed development pipeline of over 16,000 new homes and have ambitions to become a top ten home builder in the UK over the next 5-7 years. If you buy a Latimer home you will be buying into an organisation with more than 100 years of history and an enduring commitment to building communities that succeed.

WAYS TO BUY WITH LATIMER

Ways to buy with Latimer

There are several routes available to home ownership to suit your needs.

Our developments are sensitive to their location and designed for modern living. Many offer a choice of two or more purchase options. We're proud to offer Shared Ownership and First Homes alongside outright sale. It's not always a case of what you buy, but how you buy.

Whether you're eager to find a sleek city apartment or an idyllic family new-build home in the countryside, you'll find what you're looking for with Latimer.

Shared Ownership

With Shared Ownership (also known as part-buy, part-rent) you buy a share of a property. Most people typically start by buying 25-75%. Then on the remaining share you pay a subsidised rent.

First homes

Latimer is proud to support First Homes; a new scheme designed to help local first time buyers and key workers onto the property ladder. Offering homes at a discount of 30% compared to the market price.

SHARED OWNERSHIP

Shared Ownership is an excellent way for you to take your first steps onto the property ladder and become a homeowner by purchasing a share of a home. We've produced a full, step-by-step guide that you can find on the Latimer website, and given some key information here that you need to know.

Shared Ownership is also known as part buy, part rent and is designed to be a stepping stone to you owning your home outright. You buy a share of your home – as much as you can afford – starting from as little as 25% and rising up to 75% of the property's value. You then pay subsidised rent to us on the remaining share of your home.

Over time, you can buy more shares in your Shared Ownership property, meaning you can own your home outright. This process is known as 'staircasing'. It is a good idea to start thinking about staircasing even before you buy, so you have a plan for owning more of your property.

The deposit required for a Shared Ownership mortgage is lower than if you were purchasing a property outright. This is because it is calculated on the initial share you are purchasing, rather than the full value of the property.

EXAMPLE PURCHASING 25% OF A PROPERTY VALUED AT £200,000

1 YOUR DEPOSIT

Your 25% share of this property would be worth £50,000, meaning you would need a 5% mortgage deposit of £2,500.

2 YOUR MORTGAGE

A mortgage lender could loan you the remaining £47,500 to make up the full value of your 25% share.

3 YOUR RENT

You will then pay subsidised rent to Latimer on the remaining 75% of the property you don't own.

Am I eligible for Shared Ownership?

To be eligible for Shared Ownership you will need to meet certain requirements set by Homes England and the Greater London Authority (GLA). You could be eligible for Shared Ownership if:

- You are at least 18 years old
- You cannot afford to buy a home that suits your household's needs on the open market
- You have savings to cover a mortgage deposit and can obtain a mortgage
- Your household earns £80,000 or less (£90,000 or less inside London)
- You are a first time buyer

If you already own a home and need to move but cannot afford to – or you have equity from a recent sale – please contact us, as there are some circumstances under which you may still be eligible.

In some cases, due to criteria set by local authorities, you may be asked to show a connection to the local area where you're looking to buy. For instance, you might currently live and/or work there.

Maximum incomes and further eligibility requirements may vary for each scheme. Speak to a member of our Sales Team if you have any doubts.

Before you purchase a Shared Ownership home, we will put you in touch with an independent mortgage advisor who will assess whether the purchase is affordable for you and take you through all your options.

MAKING A POSITIVE IMPACT

The homes we create at Latimer are homes for life, meaning we deliver more to the communities our homes are part of and do more to protect the environment they're located in.

Economic impact

Latimer developments deliver more than just new homes. The planning process considers the potential for prosperity and opportunity as much as it does the nuts and bolts of the build. All developers have a legal obligation to the local community, but at Latimer we deliver more than what is required by law.

Latimer projects benefit communities through job generation, green places, fresh faces and vibrant social spaces.

Our economic impact starts when we buy the land, and continues far into the future through our tenants and the relationships we build.

Environmental impact

Guided by UN Principles and targeting net zero. From the centre of the city to rural retreats, Latimer homes will always maximise fresh air and green spaces.

Our homes are designed and built to keep our residents and the world they live in healthy.

Our projects are future-facing, because the homes we create are homes for life, not just for profit.

Social impact

We create spaces that generate social energy. We design high-quality homes and spaces that help foster a sense of community, building a sense of inclusion, safety and happiness.

Communities are created in the shared spaces, the green spaces, the open doors and the passing places. When you bump into your neighbour in the gardens or you share a lift to your floor, these are the moments that generate relationships. At Latimer we spend the same time and energy on creating those spaces as we do on the design, layout and production of your homes.

OUR DEVELOPMENTS

Latimer builds homes for both outright sale and Shared Ownership throughout the nation. From contemporary apartments to family homes. From rural landscapes to iconic central cities.

Each of our developments utilises our expertise and share our commitment to quality. From iconic locations to beautiful craftsmanship and the best materials, we deliver more spaces for our residents and their communities to thrive.

The Latimer logo is synonymous with high-quality design and a commitment to excellence. We partner with architects, designers and contractors that share our values.

Once built and occupied, our customer service and aftercare continue to uphold our core values of providing happiness and delivering more.

A WORD FROM OUR CUSTOMERS

“Happier than ever.”

EMMA FINLAY-SMITH

HOMEOWNER AT
OAK POINT, PORTSLADE

“Moving house was completely new to me and I discovered that the cost of renting had increased dramatically. Finding a new home had not been on our agenda and my family and I were stuck between not wanting to leave our close community, but being financially unable to continue renting in the area. When we realised Shared Ownership applied to us, the search for a new-build home began and fortunately we found the wonderful Oak Point.

I was so impressed with Oak Point that we decided to buy a two bedroom semi-detached house off-plan. When it came to completion day, my expectations were exceeded and we’ve been over the moon since we moved in in January. The modern features of our house are fantastic and I love all the high-tech appliances. We would never have these luxuries if we were still renting. This home is working so well with my family’s day-to-day lifestyle and we’re happier than ever.”

“This space is all mine.”

BECKS ROSEN

HOMEOWNER AT
JUNCTION WEST, SOUTHALL

“It’s an absolute dream to own my own space. Unfortunately, I’m part of a generation who will really struggle to buy their own place and I’d honestly just presumed it was out of reach for me. I discovered the Shared Ownership scheme when it popped up online whilst I was doing my research. It was only then that I realised that this was a possibility.

I’m not a big earner and have lived hand-to-mouth for most of my adult life. I really never thought at my age, with what I am currently earning, that I could actually buy somewhere. It completely took me by surprise.”
