Downs, North Downs, near Guildford

A home to be *proud of*

The beautiful collection of new houses at the Old Portsmouth Road development in Surrey brings together everything you've been looking for. A place of your own with the space to spread out and plan for the future. The freedom to choose décor that matches your imagination. And the opportunity to live in a fabulous location with the countryside on your doorstep and all the amenities of a major town at hand.

A city on your *doorstep*

Whether you prefer your cities steeped in history or full of contemporary culture, Guildford has both. A walk down the old world cobbled streets of the High Street opens up a world of independent shops, charming cafés and open air market stalls. Yet walk a little further and you'll come across a choice of modern shopping malls with big name stores and cutting edge fashion.

Guildford has live theatre, music venues, multi-screen cinema and a wonderful choice of pubs, bars, clubs and restaurants. There's an outdoor Lido and leisure centre with swimming pool, climbing wall, gym, sports arena and exercise classes.

This is a great area for schools too. Offering a choice that extends from pre-primary right through to the University of Surrey, which has its campus beside the cathedral.

Guildford Town Centre, The Friary, Tunsgate Square and White Lion Walk are just some of the shopping opportunities

Built by William the Conqueror, Guildford Castle has a rich back story and is nowadays famous for its vibrant floral displays

The Surrey Scholar statue was commissioned for Queen Elizabeth II's golden jubilee and is a popular place to rendezvous with friends

The River Wey flows past the castle and Yvonne Arnaud theatre with an attractive choice of riverside pubs overlooking its banks

From the North Street and Farmers' Markets to the Ethical Vegan Market and Craft Festival, this is a city with so much to offer

Street cafés, gastro-pubs, family restaurants, gourmet venues. Guildford is fabulous for foodies.

Countryside in all directions

Step out of your front door and, whichever way you head, there's beautiful countryside to explore. The Surrey Hills park forms a designated area of outstanding natural beauty, famous for bike trails and Sunday afternoon walks. Be sure to see the panorama from the top of Box Hill.

Nearby Newlands Corner also offers great views, while the Winkworth Arboretum is a riot of colour in autumn and perfect to explore any time of the year. Or go West and discover the nature reserve at Ash Ranges.

There are many wonderful country estates nearby. Loseley Park remains much as it was in the 16th century while Polesden Lacey reflects the elegance and grandeur of Edwardian times.

If you love a weekend adventure, then take to the river. The Wey is great for kayaking or renting a narrowboat and exploring the beautiful, tree-lined banks.

From Old Portsmouth Road the best of the south coast is also waiting to be explored. You can head direct to Portsmouth and the Isle of Wight or spend a weekend partying in Brighton or Eastbourne. Choices. Choices.

Follow the towpath beside the river or take on the hills – this area is perfect for cycling

Take a canal boat down to Godalming or up to Weybridge where the Wey meets the Thames.

Immerse yourself in local history with a day at one of the area's historic houses

Everything in easy reach

Getting to the centre of Guildford couldn't be easier. It's an easy walk from Old Portsmouth Road, (or an even easier bus ride). From there, you have an excellent rail service for commuting into London or travelling further afield.

Guildford is also perfectly placed for road travel too, with access to the A3 connecting you directly to Portsmouth, the M25, the M3 and the national motorway network.

Gatwick Airport is within easy reach, Southampton Docks are the start of your cruise and the channel tunnel at Folkstone is your gateway to Europe. Old Portsmouth Road is your passport to the world.

What is *Shared Ownership?*

You buy a percentage of a home, and pay rent on the rest. This means a smaller deposit, a smaller mortgage, and quicker steps on the ladder. We own some of the property, but it's still yours. You're living there, you can make it your own, and you decide when to sell. You can even buy more shares, to eventually own the home.

YOU COULD BUY A HOME AT OLD PORTSMOUTH ROAD WITH SHARED OWNERSHIP* IF:

- Your household earns £80,000 a year or less
- You don't own any other property (you could be in the process of selling your home)

To purchase a home you'll need to take out a mortgage to pay for your share of the home's purchase price, typically you'll need minimum 5% deposit of the value of the share you purchase. A rent of 2.75% is payable monthly on the unowned share. Shared Ownership properties are leasehold until you own 100% of it.

SOUTHERN HOUSING *new homes*
