* **Service Charge to be confirmed.** Guidance figures for rent are per calendar month. The share level given is for guidance only. Further share options are available. Additional information regarding share options and how affordability is assessed will be provided on enquiry. A Service Charge is payable (the monthly payment is still to be announced). Rent and Service Charges are subject to change and are reviewed annually. As a regulatory requirement, we undertake regular re-valuations of all our new-build plots. If an increase in value is identified then we may be legally obliged to increase the sales values from those initially released.
