The above costs are indicative examples only. The larger the deposit you put down, the lower your monthly repayments will be. You must obtain advice from a qualified independent mortgage advisor (you will be asked to have an affordability assessment with an independent mortgage advisor from our panel).

Monthly rent is calculated at 2.75% per annum of the value of the share that you do not initially buy.

Applicants with a household annual gross income in excess of £90,000 are not eligible for shared ownership in this area.

Your home is at risk if you do not keep up repayments on your mortgage, rent or any other loans secured on it. The value of properties can go down as well as up.

RHP supports mixed tenure developments and is proud to provide homes for shared ownership. We may change the tenure of some properties subject to demand.
