\*Parking is sold on a right to use basis, the cost of which is included in the full market value shown. Under the planning obligations residents will not be able to apply for, transfer or purchase parking permits from the local borough council.

**IMPORTANT INFORMATION - PLEASE READ CAREFULLY**

[1] Prices are based on market valuation carried out by an Independent RICS Valuer every 3 months.

[2] Applicants will be required to purchase the maximum share they are able to afford as determined by an independent financial advisor.

[3] Rent increases annually and effective from 1st April each year based on the terms set out in the lease. Please ensure you discuss this with your solicitor and factor in future rent increases into your budgets.

[4] Mortgage rate is based on a 90% repayment loan over 30 years with interest rate of 6% (this assumes you will be paying a 10% deposit). Eligibility criteria apply. Please contact our nominated financial advisor to discuss options.

[5] Service charge figures are estimates based on information provided to us by the developers and managing agents. Service charges are reviewed annually and are effective from 1st April each year. Service charge will increase year on year. You are recommended to factor in any increases into your costings.

**Some local authority income caps are in place at this development. Please ask the sales team for more information.**

**YOUR HOME IS AT RISK IF YOU FAIL TO KEEP UP THE REPAYMENTS ON YOUR RENT OR MORTGAGE.**
