Shared Ownership

With shared ownership first time buyers can buy a share of a new home with just 10-15% deposit, so you'll only need a mortgage for the remaining amount of the share you are buying.

You will pay rent on the remaining percentage of the property, with the option through stair casing to buy more shares over time, until you own 100% of the property.

How it works

If you purchase 35% of a home for £225,000

You must put down a deposit of 10% £22,500

You will need a mortgage for the remaining £202,500

You will pay rent on the other 65% share of the property
