

The image features a light green background with a topographic map overlay. The map consists of several thin, grey contour lines that curve across the page, suggesting a hilly or mountainous terrain. On the far left edge, there is a vertical strip of a photograph showing a close-up of grey, layered rock formations. Centered on the map is the text 'OYSTERMAN PLACE' in a dark, serif font, with 'OYSTERMAN' on the top line and 'PLACE' on the bottom line.

apartments

Welcome to Oysterman Place

Now's an exciting time to move into Barking. Steeped in maritime history, the area has recently benefitted from huge investment and regeneration, with plenty more to come – yet remains one of London's most affordable spots to put down roots... for now, at least.

Situated in the heart of the town, Oysterman Place is a brand-new development of 79 contemporary one, two- and three-bedroom homes, just 7 minutes' walk from Barking's rail and underground stations.

Built around a beautifully planned and planted central courtyard, all apartments come with their own private outdoor terrace or balcony, and high-quality interiors designed for modern living.

Make yourself at home.

Whether you're taking your first step onto the property ladder or looking to upsize on space, shared ownership at Oysterman Place makes for a smart investment – with a smaller deposit, manageable monthly mortgage payments and low-maintenance living from day one.

Large windows, chic handleless kitchens and clean, neutral interiors create bright and welcoming living and dining spaces, with cosy, carpeted bedrooms to escape to when the sun goes down.

Children of all ages won't believe their luck when they discover their very own playpark right outside, with clambering challenges, slippery slides and space to shoot hoops, all in one safe, central square.

Sociable wooden seating areas and a spacious lawn make it the perfect doorstep picnic spot on a sunny day, too – with a huge choice of other green spaces to explore close by.

Getting around

Oysterman Place is superbly located for commuting or day-tripping into the capital. Hop on a tube or train at Barking station – less than 10 minutes away on foot – and you’ll be in the heart of the capital in under half an hour.

And for those times when business or pleasure take you further afield, London City, Heathrow and Gatwick airports are all within easy reach from Barking overground.

Stop for brunch, sweet treats and the best coffee around at Caffee Latte, or head to the Triple Two just over the river, taking in views of Barking Quay on your way – well worth the short walk.

Hidden Gems of Barking

Whether you're a commuter, work-from-homer, a busy parent – or all three – Oysterman Place couldn't be better located for the things that matter most. Pick up the weekly shop (and then the bits you forgot) just across the road at Lidl, or something freshly prepared for lunch on your way to the station – a

route lined with independent eateries, convenience stores and coffee stops. Open every day except Wednesdays and Sundays, a weekly visit to the buzzing Barking Market on East Street is a must – with its huge variety of fresh produce and street food from cultures all over the world.

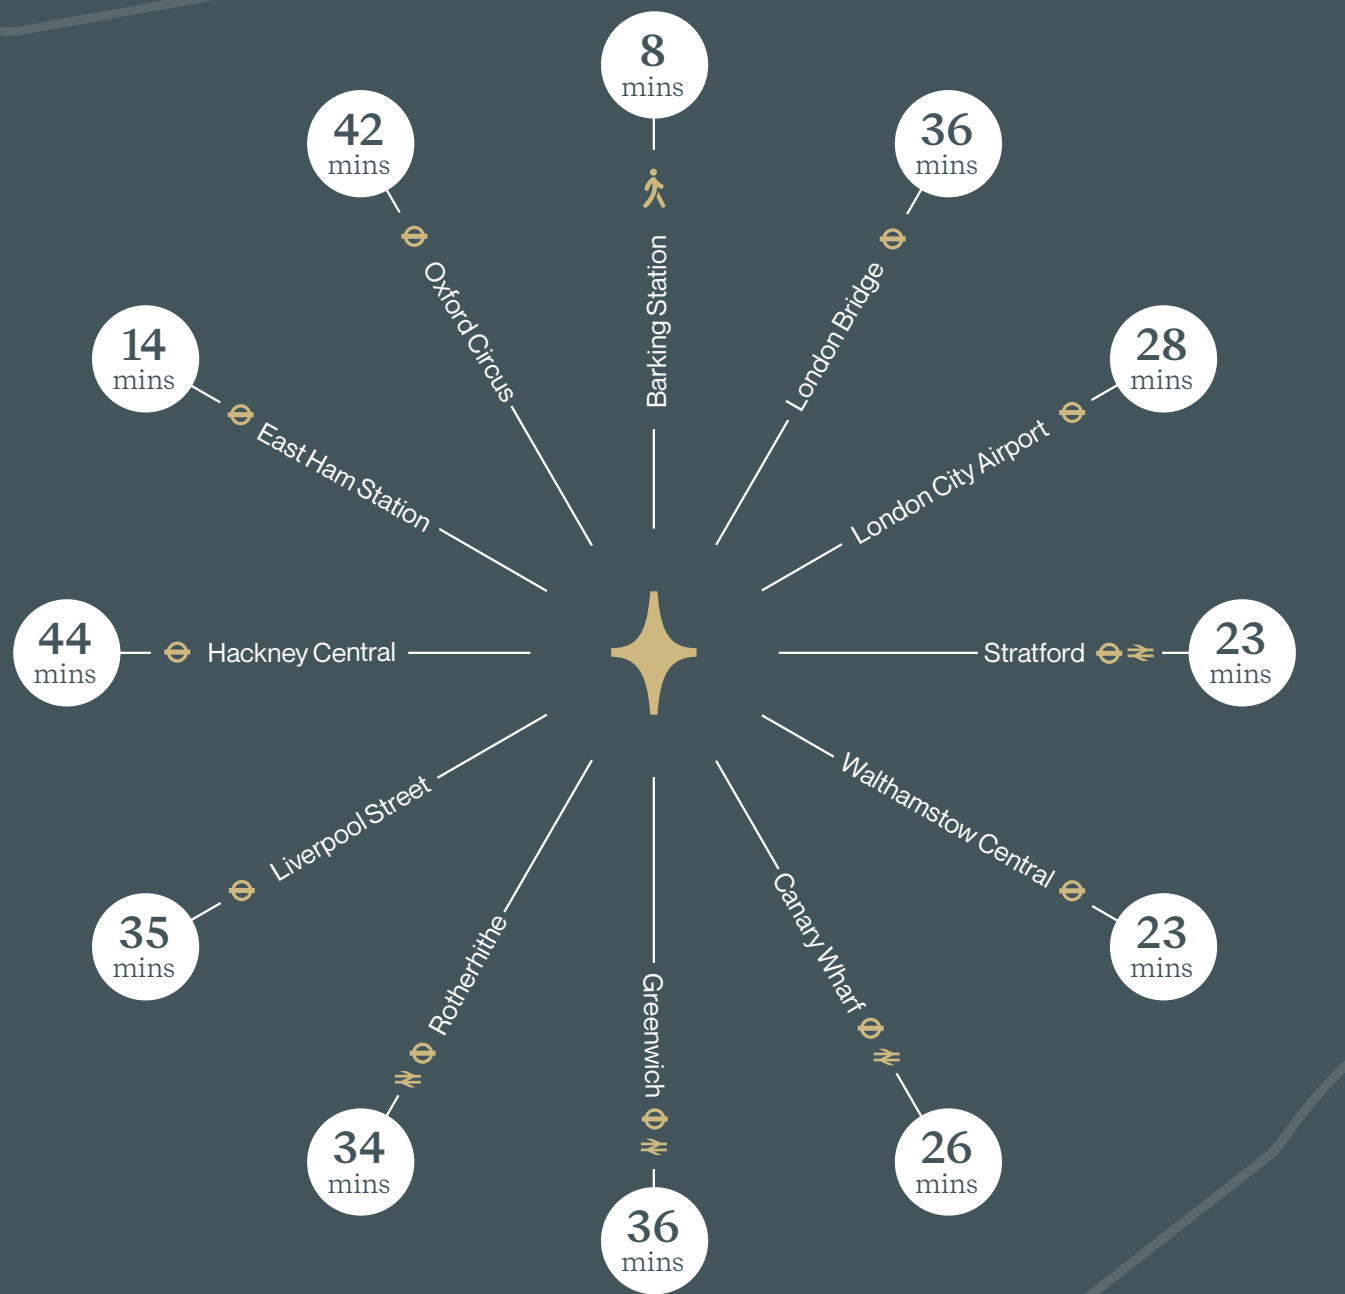

When a weekend treat calls your name, the Vicarage Field shopping centre is just a short wander away – with a selection of exciting independent eateries close by, too.

For something more substantial, we love The Boathouse café and bar, with its stunning riverside terrace and lovingly prepared mezze platters, or Cristina's steakhouse – unmissable not only for its quirky house cocktails and enticing menu, but the giant pink cow out front.

Well Connected

Oysterman Place, a car-free development, ensures convenient commuting with Barking station just under 10 minutes away on foot.

With the River Roding West of its centre and the Thames to the South, Barking is well known for its riverside walks, well maintained cycle routes and picturesque views.

On rainy days, the local Abbey Leisure Centre is an affordable all-rounder for fitness enthusiasts and families alike, with its two swimming pools, award-winning swimming lessons, 140-station gym, two group fitness studios and spa.

And keep your eye on the programme of events at The Broadway Theatre, in the heart of Barking, which hosts plays, concerts, dance, comedy and family events year-round.

Places to go

Children are also well served by Barking's selection of good schools and green spaces, with Barking Park just a short walk north of Oysterman Place – home to a fantastic splash park and giant inflatable play zone, as well as a café, tennis courts and skatepark for the older crew.

People to see

And when adventures beckon, you'll find plenty more family attractions just a couple of tube stops away – from go-karting and bowling in Dagenham to the Flip Out trampoline park over in East Ham.
