Located on a once iconic commercial port, Wharf Twenty One is an exciting development of 97 Shared Ownership apartments in Shoreham-by-Sea.

Boasting views of the River Adur, this stylish collection of 1 and 2 bedroom apartments offer the perfect blend of town and coastal living.

THE STORY CONTINUES

Shoreham-by-Sea boasts a rich history dating back centuries.

Its origins can be traced back to Roman settlements, but the town's story truly unfolds alongside its flourishing ports. Towards the end of the 11th century, a small fishing and trading community emerged around the mouth of the River Adur, playing a crucial role in the town's growth and laying the foundations for Shoreham's illustrious maritime legacy.

Strategically located, and with its close proximity to the English Channel, Shoreham steadily rose in prominence, evolving into a bustling hub for coastal and international travel and trade. The exchange of goods, including wine, timber, wool, and agricultural produce, played a vital role in fuelling the town's regional economy.

Throughout the medieval period, Shoreham continued to thrive, transforming into a vibrant market town. Following the Battle of Hastings, the construction of the town's church, St. Mary de Haura, began. After standing proudly for over 900 years, the church now holds the distinction of being a Grade I listed building. The 18th century brought a

transformation of Shoreham's harbour, later evolving into fully-fledged port.

In 1760, the twenty-one Commissioners of Shoreham Harbour met for the first time.

With the harbour in decline, they were tasked with improving its operations. Their efforts led to improved navigation, and the subsequent introduction of the Sussex Pad Canal Ship enabled larger vessels to access the port, which boosting trade and the local economy.

Formerly known as Shoreham Airport, Brighton City Airport served as a military airfield during both World Wars. In World War One, the airport initially served as hub for civilian flying training before being adapted for military aviation.

During World War Two, Shoreham found itself once again at the forefront of military operations due to its proximity to France. The town played a pivotal role in supporting the D-Day landings in 1944, all while enduring heavy bombings.

WITH A NEW HORIZON

Shoreham-by-Sea stands as a testament to its rich history, serving as a solid foundation for its present and future. Not bound by its history alone, Shoreham embraces its legacy while actively moving towards new horizons.

Through a remarkable regeneration initiative, Shoreham is undergoing an exciting transformation, ensuring that its community thrives and its economy flourishes.

Significant investment is being made into the local community and economy, propelling growth and development in the area. A sprawling 3.5 acres will be rejuvenated, breathing life into the landscaped public areas and giving residents access to the picturesque riverfront. The harbour is poised for

revival and see offer employment spaces, charming cafés and restaurants, all of which will create a lively atmosphere.

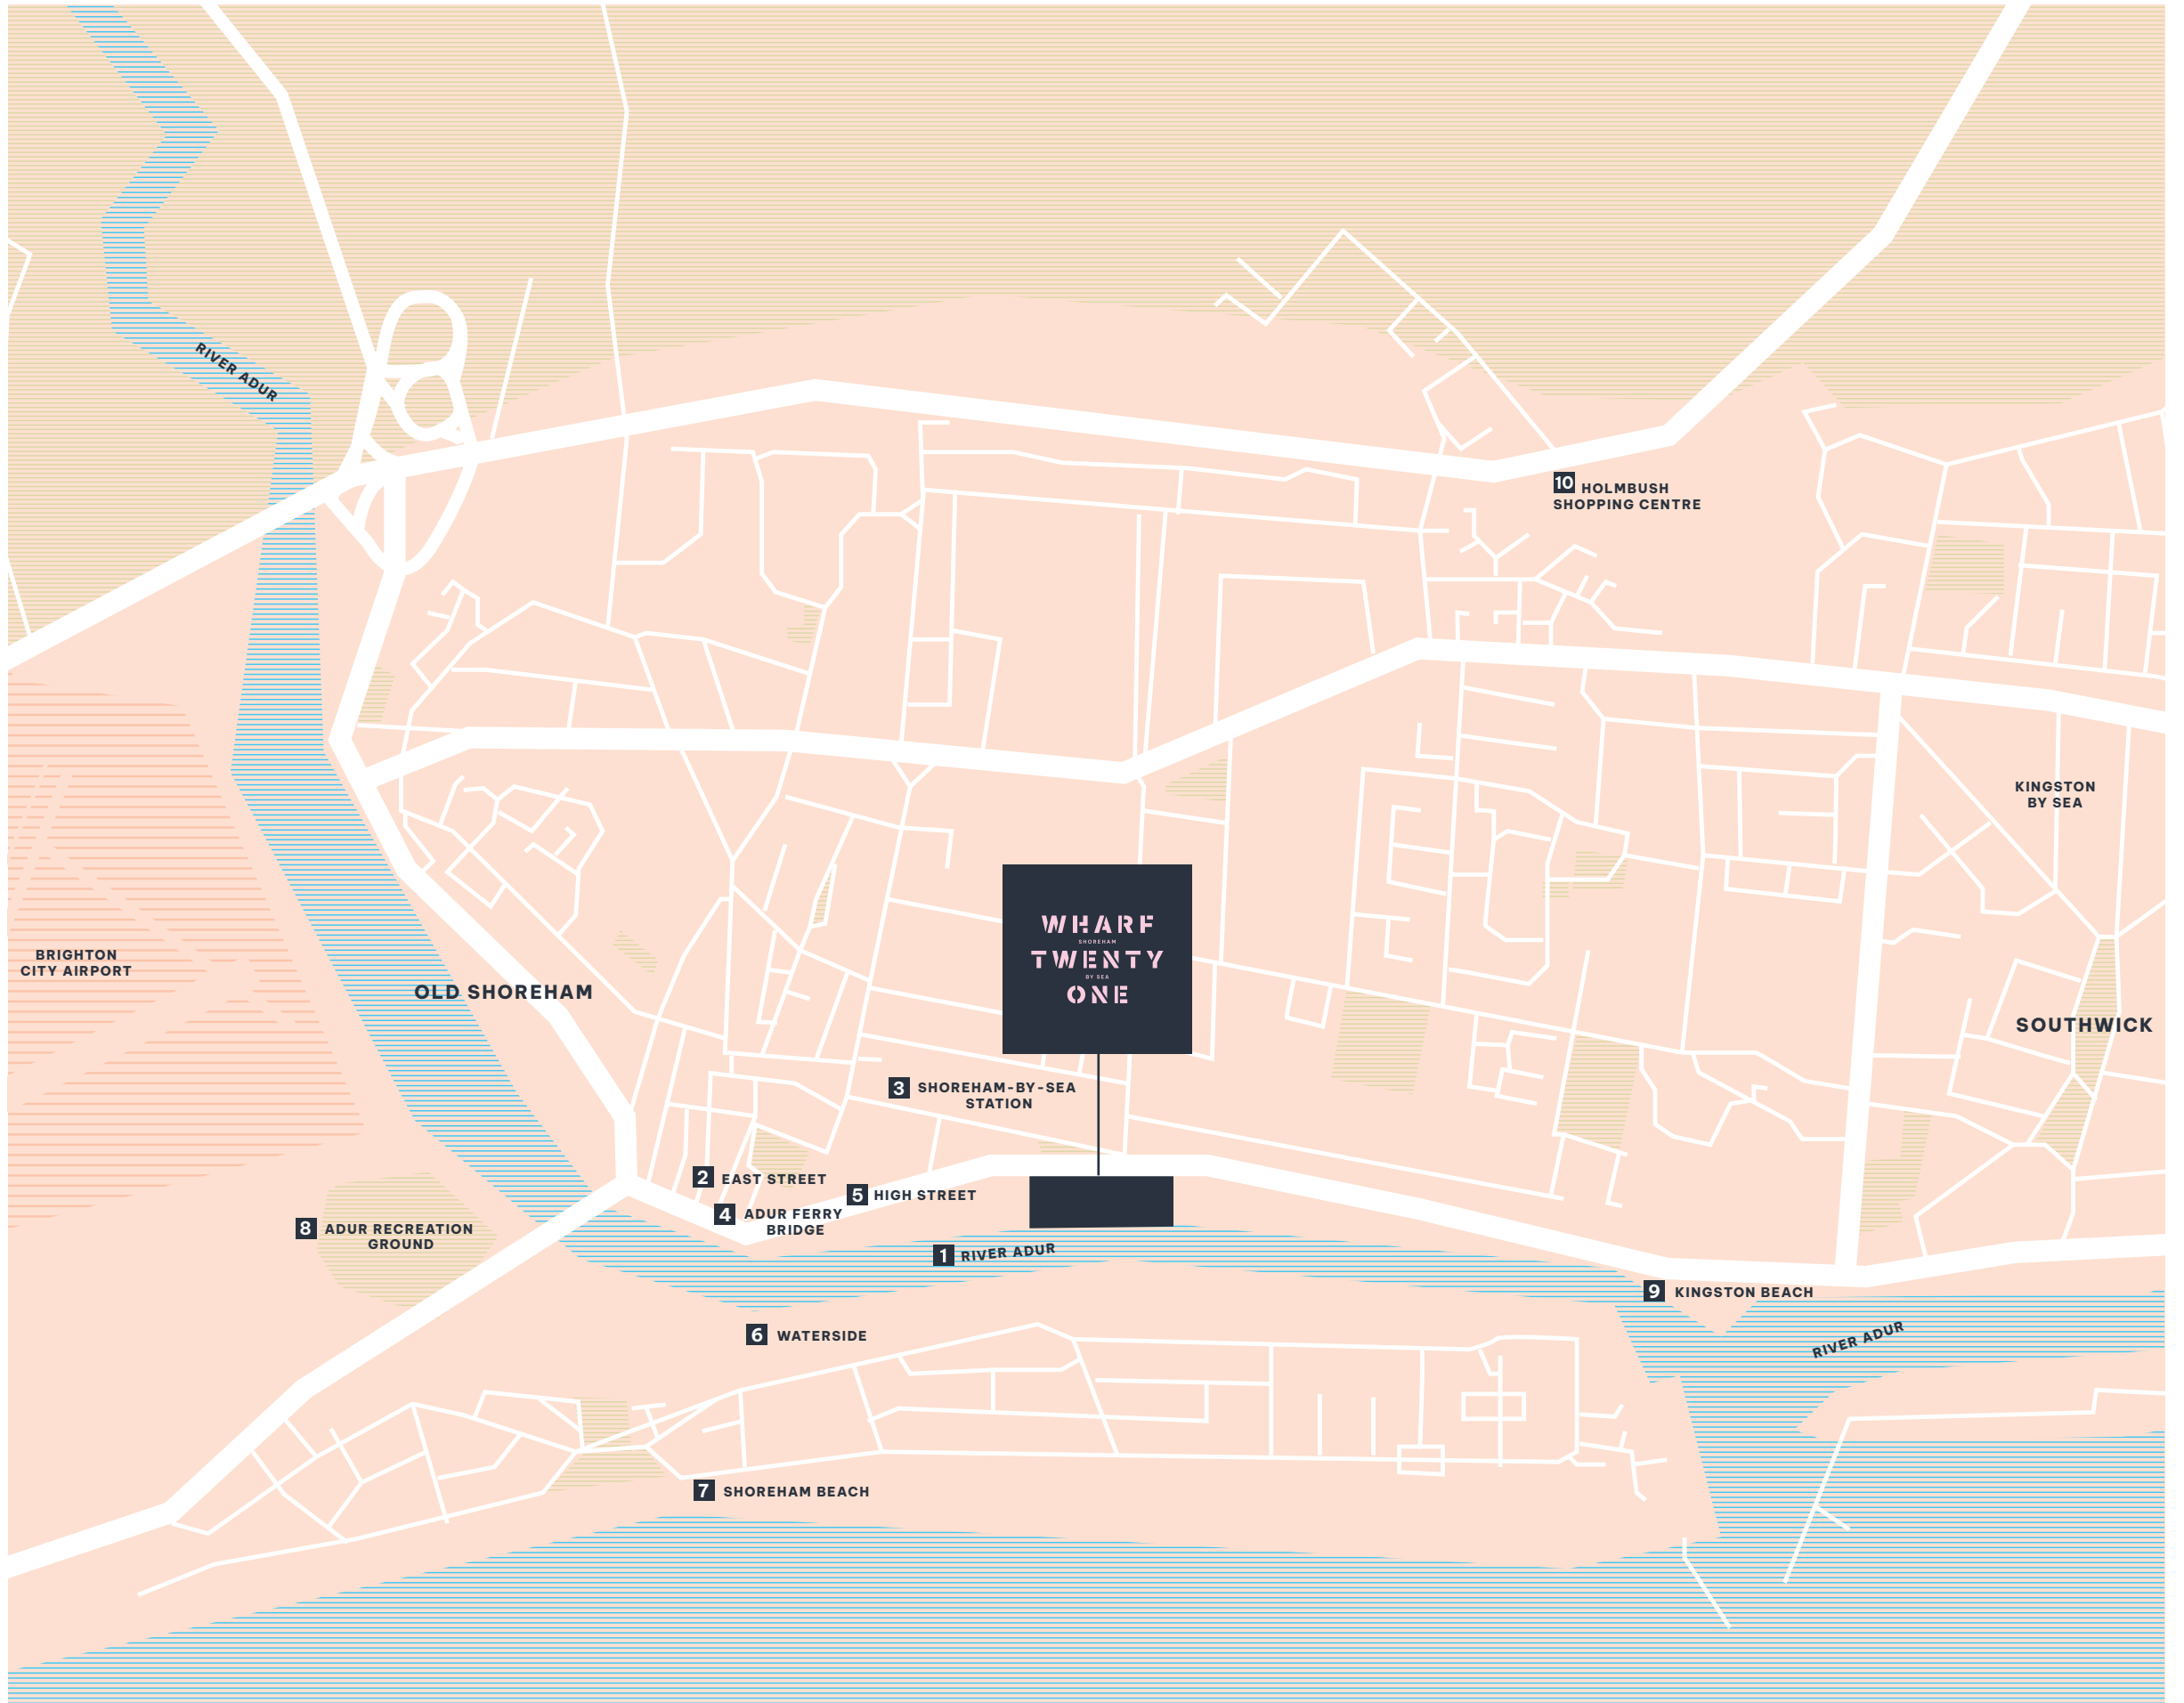

While the commercial port is no longer active, small fishing and leisure boats can still be observed, retaining the popular maritime character of the area. The regeneration will enhance leisure and recreational activities, introducing new cycle paths and pontoons for the community to enjoy.

Through its ongoing evolution, Shoreham-by-Sea seeks to create a vibrant, thriving community, where residents can revel in the blend of historical charm and modern conveniences.

FREE DOM! IS WITH SHARED OWNERSHIP HERE

Shared Ownership is a Government-backed scheme to help you get on the property ladder with a smaller deposit.

RENT WHAT'S LEFT

CHOOSE YOUR SHARE OF THE PROPERTY

HOW DOES IT WORK?

You initially purchase between 25%–75% of the home's market value, you then pay subsidised rent on the remainder.

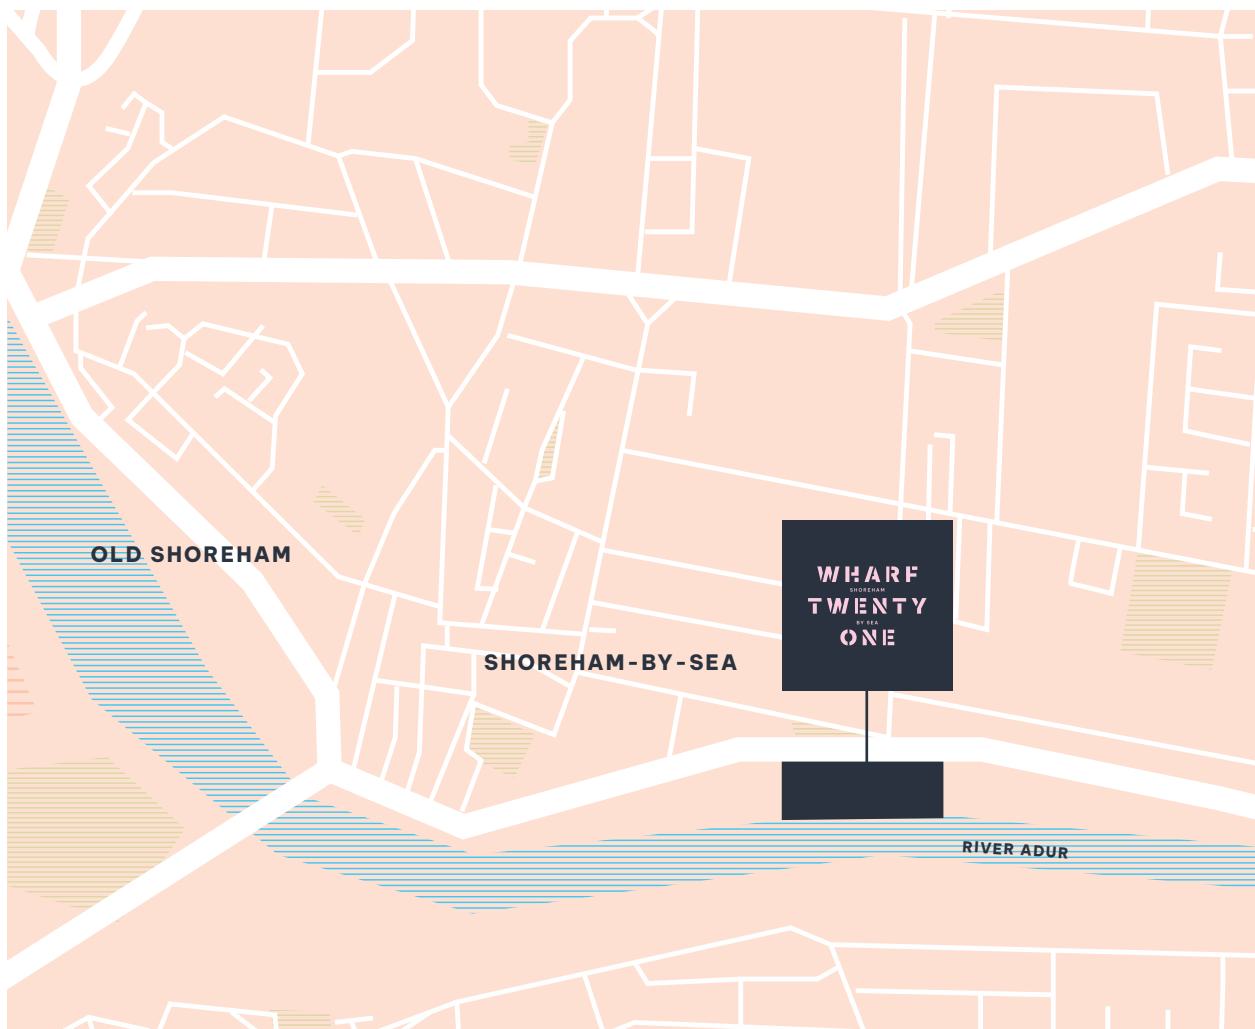

AM I ELIGIBLE?

To be considered eligible for the Shared Ownership scheme your yearly income must be below £90,000 within London, or £80,000 outside of London. You cannot buy with Shared Ownership whilst you own another home.

WILL I NEED TO PAY A DEPOSIT?

To be considered eligible for the Shared Ownership in most cases, you will need 5% of the share percentage you are purchasing. A panel of specialist and experienced mortgage advisers will be provided to you. Any of these firms will be able to advise you on the best options available to you, so please ask us to refer you for further advice. If the property's market value is £270,000 and you're buying 25% then your proportion will be £67,500.

This means you'll need a deposit of £3,375 alongside a mortgage of £64,125. You're also able to own the property outright, by increasing your share to 100%.
