FREE DOM! IS WITH SHARED OWNERSHIP HERE

Shared Ownership is a Government-backed scheme to help you get on the property ladder with a smaller deposit.

RENT

75%

50%

25%

RENT WHAT'S LEFT

CHOOSE YOUR SHARE OF THE PROPERTY

HOW DOES IT WORK?

You initially purchase between 25%–75% of the home's market value, you then pay subsidised rent on the remainder.

AM I ELIGIBLE?

To be considered eligible for the Shared Ownership scheme your yearly income must be below £90,000 within London, or £80,000 outside of London. You cannot buy with Shared Ownership whilst you own another home.

WILL I NEED TO PAY A DEPOSIT?

To be considered eligible for the Shared Ownership in most cases, you will need 5% of the share percentage you are purchasing. A panel of specialist and experienced mortgage advisers will be provided to you. Any of these firms will be able to advise you on the best options available to you, so please ask us to refer you for further advice. If the property's market value is £270,000 and you're buying 25% then your proportion will be £67,500.

This means you'll need a deposit of £3,375 alongside a mortgage of £64,125. You're also able to own the property outright, by increasing your share to 100%.
