BEXLEYHEATH

THE PLACE TO HAVE IT ALL

With a welcoming community and speedy transport links, Bexleyheath is hugely popular with families. Its rich history and excellent mix of amenities make it a neighbourhood that offers something for all ages. A place where you can enjoy a laid-back suburban lifestyle, and still be in bustling central London or out in the glorious Kent countryside in under an hour.

AN AFFORDABLE WAY TO BUY

Iverhurst Close sits beside tranquil allotments, between Bexleyheath's vibrant centre and the sweeping, 185-acre Danson Park. We have ten 4-bedroom homes and one 3-bedroom home available to buy at this new community on a shared ownership basis. This makes buying in this dream location more affordable, because you part buy, part rent your home. You can choose to buy more shares later, until you own your home outright.

Stylish, energy efficient homes

Each of these brand-new family homes has an allocated parking space, and a private garden for morning coffees, after-school kickabouts and weekend BBQs.

Finished to a high standard, they feature elegant, modern styling. And the eco-friendly air source heat pumps, photovoltaic panels, mechanical ventilation heat recovery and high-quality insulation should increase energy efficiency and minimise your bills.
