# Shared Ownership explained

## Your essential guide to all things Shared Ownership with Legal & General

### **How does Shared Ownership work?**

At Rivermead Gardens you could buy an initial share typically between 25% and 75%, of the home's full value and pay a subsidised rent on the remainder. You may purchase further shares (up to 100%) as your circumstances change. Your annual rent is charged at 2.75% of the residual value of your home, which is reviewed annually each April. This is capped at RPI (Retail Price Index) from September of the previous year + 0.5%.

### **Am I eligible for Shared Ownership?**

If you earn or have a household income up to a maximum of £80,000 per annum, you could be eligible. You can also use Shared Ownership to buy alone or with another person as long as your joint

incomes don't exceed the maximum earnings bracket. Some developments have eligibility or prioritisation requirements around where you live and/or work. Please speak to our Sales Consultant for further information.

### **What other charges will be payable?**

Your home will be subject to a management fee - this is a fee payable monthly to cover the administrative costs of Legal & General Affordable Homes and our Management Provider. You will also be charged for the Buildings Insurance required to cover your home. Finally, all homes pay an Estate Charge which contributes to the maintenance of the wider estate, play areas or unadopted roads etc.

# Shared Ownership explained

## Can I buy additional shares in the property?

Yes, you can. This is known as 'staircasing'. When you buy more shares in your home, your home is re-valued and you buy the shares at the current market value, at the time you are buying the shares. You can staircase up to 100%.

## Is it cheaper than renting?

Shared Ownership can be cheaper than renting privately as the mortgage cost and low rent usually add up to less than the equivalent rental payments to a landlord.

## What if I already have a home?

If you already own a property you would need to have confirmed the sale of your home when you apply

to buy via Shared Ownership. Your application would be assessed based on your housing need for you to be considered for Shared Ownership.

## Will I need a deposit?

Yes, you still need a deposit, but only on the percentage of the property you are buying. Mortgage deposits are typically 5% or 10% of the share value.

# Enjoy your new home, your way

People come first. It's been the  
**Legal & General** way for almost 200 years.

Legal & General began in a coffee house on London's Chancery Lane back in 1836. Almost 200 years later we are investing in new homes for all ages, social groups and housing tenures.

The shortage of housing in the UK, and high deposits required to buy a property outright, mean many people can't afford a new home. That's why our aim is to better people's lives by offering opportunities to those who need a helping hand. Whether it's a first-time buyer, young

couple or growing family, it's important that everyone has a safe and secure space to call their own.

Our mission is to become the leading private affordable housing provider in the UK and to make a positive difference to the affordable housing sector. As a company, we have never stopped moving forward, but our position of being a byword for reliability, integrity and trust. is one we will never move from. That's why our key principles underpin everything we do...

# Our key principles

## Quality

We aim to bring you the best possible experience in every aspect of your new home. That's in location, design, furnishing, environment and, above all, value.

## Customer Service

We're committed to providing first-class customer service, from the moment you arrive to when you open the door of your new home.

## Sustainability

We work to minimise the environmental impact of what we do. That means reducing carbon emissions, using renewable materials and following sustainable design and building processes.
