**WHAT IS SHARED OWNERSHIP?**

It is a Government run initiative that enables you to buy a share of a property and pay rent on the remaining share that you don't own. You need to purchase the maximum share that you can afford, between 25% and 75% of the full market value, generally funded through a mortgage, and pay rent on the unsold equity. The combined monthly cost of your rent and your mortgage will usually be less than buying a property outright. You are able to buy additional shares of your property at any time after your initial purchase. This process is known as staircasing.

**ELIGIBILITY**

To be eligible to purchase a home at Pavilion Lodge, you must live or work in the Borough of Wandsworth. You must also be registered with Wandsworth Council.
