# Why buy from settle?

As the name suggests, we want to help you settle in a new community – by delivering new homes that meet local needs, and creating diverse new neighbourhoods that let you live the life you choose.

At Settle we are proud providers of high-quality, affordable homes across Hertfordshire, Bedfordshire and Cambridgeshire. We provide a variety of tenures to suit everyone's needs, including offering affordable rent and shared ownership options.

## What is Shared Ownership?

Shared ownership is a great way to get your foot on the housing ladder if you're unable to purchase a home on the open market.

The Government backed scheme allows you to purchase between 40-75%\* of a home available for shared ownership and you'll usually pay a mortgage on the part you own.

You'll then pay a subsidised rent of 2.75% on the remaining share of your home. This figure is reviewed annually in line with the Retail Price Index (RPI)

The deposit required for a shared ownership mortgage is a lot lower than if you were purchasing the property outright. This is because it is calculated on the initial share you are purchasing, rather than the full value of the property and can be as little as 5%.

## Am I eligible?

You'll need to meet the following criteria to qualify for shared ownership:

- + Have a household income of less than £80,000
- + Unable to buy a home on the open market that satisfies your housing need
- + You can pay for the mortgage deposit, legal, surveying and mortgage fee and stamp duty (if applicable).

You won't be able to buy a shared ownership property if:

- You already own a home in the UK, or abroad, that you are unable or willing to sell
- You have any outstanding credit issues (i.e. unsatisfied defaults or County Court judgements)
- You have had a home repossessed within 6 years prior to the application or any mortgage arrears in the past 3 years.

Priority is given to buyers who are in, or have been in, eligible roles within the Ministry of Defence, current council or housing association tenants, and those who live or work in Central Bedfordshire. However, applications are welcome from all interested parties.

\*lower share percentages may be available – please speak to a member of the sales team for more information.
