THE PERFECT PLACE TO CALL HOME

Perfectly positioned next to Macclesfield Canal and surrounded by farmland, Bollin Grange offers a peaceful setting without feeling too remote.

The development sits just over two miles south of the historic Macclesfield town centre, renowned for its thriving 19th century silk weaving industry, which lives on through the town's famous Silk Museum.

Today, Macclesfield's vibrant centre is home to a wonderful mix of independent shops, quirky boutiques, big-name stores, and everyday amenities. For even more retail therapy, the nearby Grosvenor Shopping Centre offers everything you need.

A magnet for food enthusiasts, Macclesfield is also home to an amazing array of pubs, restaurants, wine bars, coffee shops, delis and tea rooms offering everything from Thai to tapas. Once a month, the town centre welcomes the Treacle Market to its cobbled streets, one of the largest artisan markets in the north west with over 140 stalls selling the very best food and drink products that Cheshire has to offer.

Bollin Grange is also well placed to make the most of the surrounding Cheshire countryside. Teggs Nose Country Park and Macclesfield Forest are both within easy reach, offering endless walking and cycling trails. A bit further out, there's the vast Cheshire Plain and Peak District National Park, with outdoor activities such as hiking, horse riding and water sports.

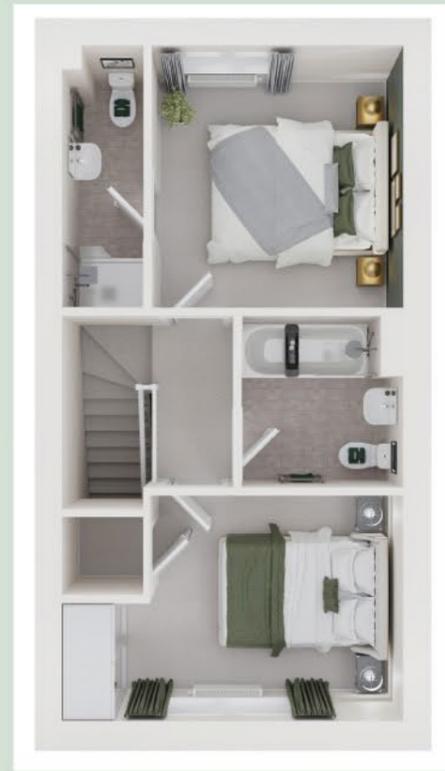

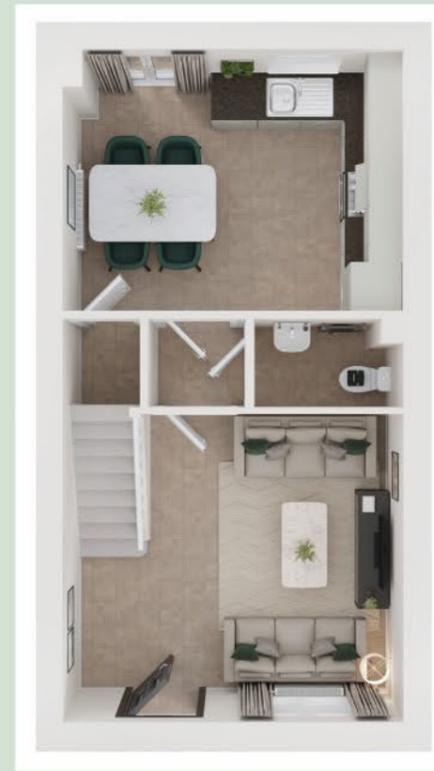

Despite its rural location, Bollin Grange offers fantastic transport links. Macclesfield train station is just a 15-minute drive away, providing fast connections to Manchester, Stoke-on-Trent, and London. There are also several bus routes operating in the area which connect to neighbouring towns and villages. Meanwhile, the A523 and A536 roads are within easy reach, and commuters can be on the M6 motorway within just 20 minutes.

If you are moving to the area with children, you'll find an excellent range of schools. Within 3-miles are the primary schools of Puss Bank School, St John the Evangelist Catholic Primary School, and Park Royal Community School. For secondary education, Macclesfield Academy is within 2.5 miles and both Fallibroome Academy and the prestigious King's Schools are within a 15-minute drive.

ABOUT ONWARD LIVING

At Onward Living we specialise in building quality new homes across the North West.

We believe everyone deserves a place to call their own, which is why we offer affordable homeownership solutions such as shared ownership to help you take that first step on the property ladder.

Whatever your situation, whether you're a first-time buyer, starting again or just thinking about downsizing, we'll help you find a home that's right up your street.

What's more, our friendly experienced team will be there every step of the way, providing all the advice and support you need to make buying and owning your Onward Living home as straightforward as possible.

ABOUT SHARED OWNERSHIP

Shared Ownership is another way to buy your own home. You buy a percentage (between 10% and 75%) and pay rent on the rest. Onward Living owns part of it – but you're living there, you decorate it, and you decide when to sell.

Buying a percentage means a smaller deposit and smaller mortgage. It's a sooner first step on the ladder for lots of people. Usually, you can also carry on buying shares, to own it 100%.

Shared Ownership is popular with first-time buyers who are looking to get on the property ladder, but it's also an affordable homeownership option for those who are starting again after a change in circumstances, and for those in later life looking to downsize.

To find out if Shared Ownership is right for you, or for more information about the scheme, contact our sales team on **0300 555 0130** or email **sales@onward.co.uk**
