My Shared Ownership journey

Shared Ownership made homeownership possible when we needed it – we wouldn't have been able to buy otherwise.

Charlotte, 32, from Hitchin, first used the Shared Ownership scheme to buy a two-bedroom apartment.

After marrying Stephen and becoming a family of four, they needed a three-bedroom home. Wanting to stay near Hitchin but find something more affordable, Charlotte discovered a Shared Ownership home in Lower Stondon with Domovo and enquired immediately.

Her Domovo Sales Advisor referred her to an independent mortgage advisor (IMA), who contacted her the next day. Both stayed in touch throughout the process, making it smooth and reassuring.

"I had everything confirmed in emails, so I always knew what was agreed and when."

Since she bought off-plan, Charlotte couldn't view her actual home, but a finished, identical plot helped her visualize the space. The brochure's detailed floor plans and specifications also reassured her.

When her Sales Advisor went on paternity leave, he ensured a smooth handover, though no extra support was needed.

*Testimonial was incentivised

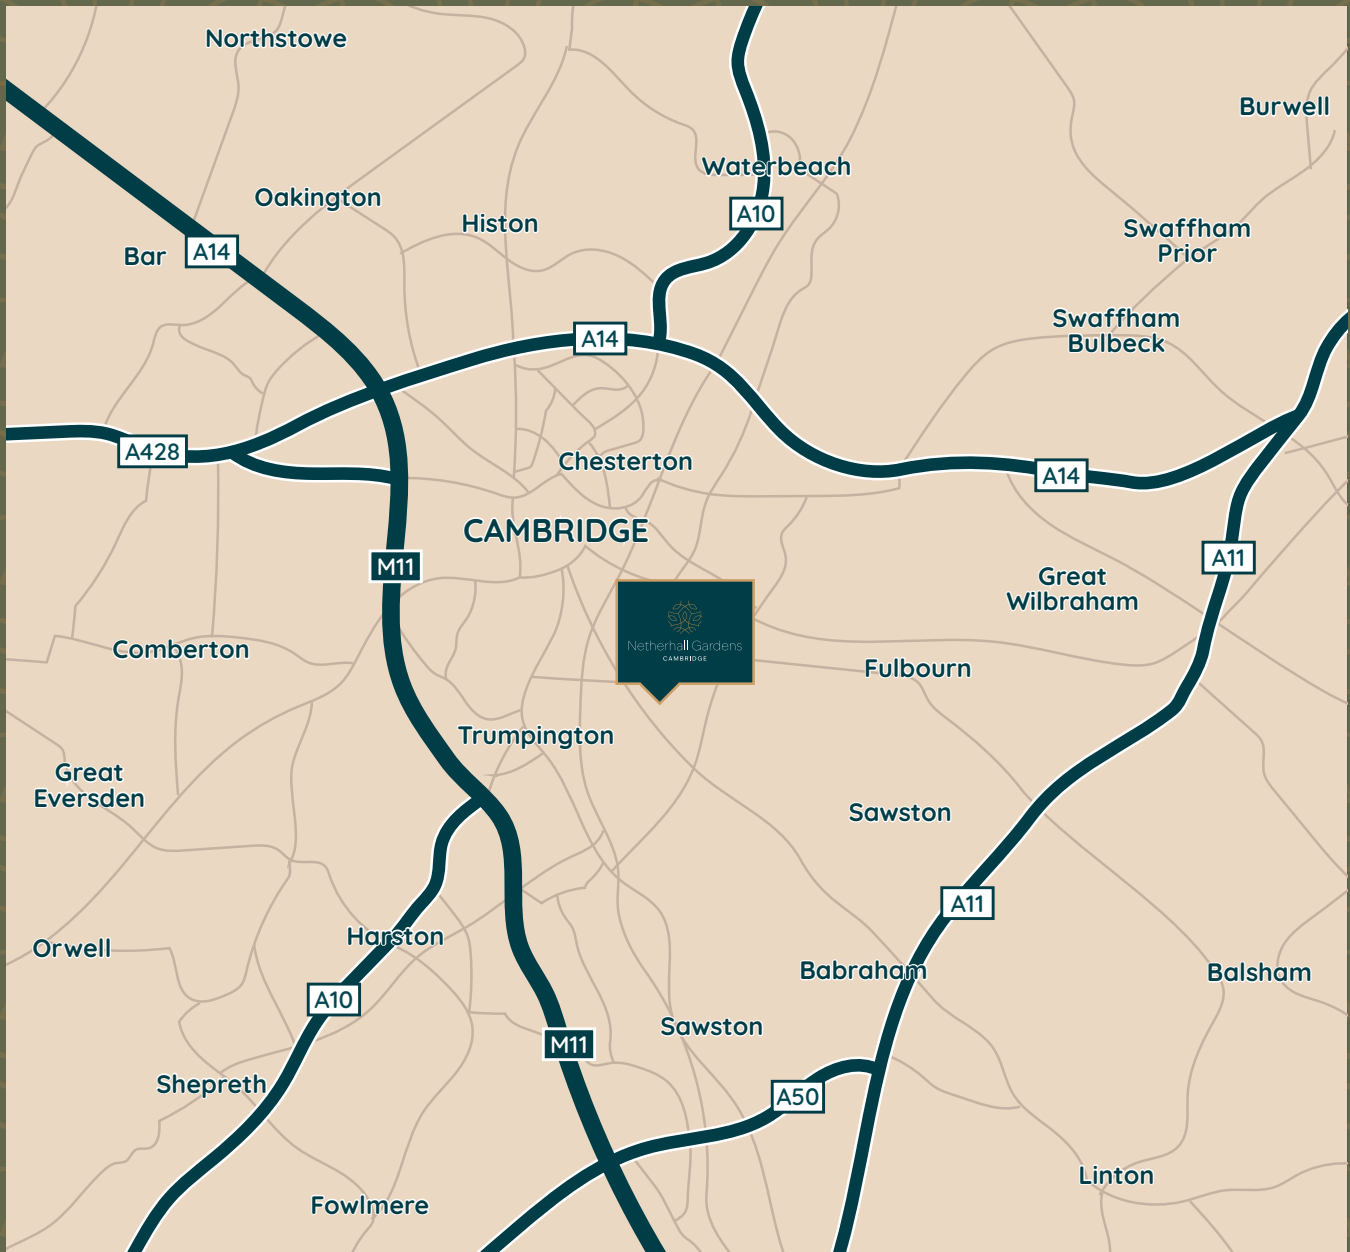

"My sales advisor was a godsend – he went above and beyond."

Just before completion, Charlotte learned she was four months pregnant. The timing was perfect, and they moved in April 2024, welcoming baby Arlo in September.

Now, Charlotte and her family love their spacious home, with a separate kitchen, utility area, and a garden with double doors. The two-car driveway is a huge improvement over their previous single parking space.
