*The above mortgage calculations are based on 95% borrowing (5% deposit required). The rate is 5.2%. It is a 3-year fixed rate. Further details available on request. These figures are based on a capital and interest repayment mortgage over a 25-year period. We suggest you seek an independent financial advisor to discuss different options. Your home may be repossessed if you do not keep up the repayments on your mortgage, rent, service charge or any other loan secured on it. Be sure you can afford the repayments before entering into a credit agreement.
