Investing in homes *and neighbourhoods*

At L&Q we believe passionately that people's health, security and happiness depend on where they live.

With over 60 years experience, we have what it takes to do things right. We aim to deliver great service to every customer, every time, and we're always looking for ways to improve ourselves.

Our relationships are built on trust, transparency and fairness and we're there when we're needed – locally responsive and working hard to keep the communities we serve safe and vibrant.

Because our social purpose is at the core of what we do, we reinvest all of the money that we make into our homes and services.

We create better places to live by delivering homes, neighbourhoods and housing services that people can afford.

We are L&Q.

Invest for the future
and own your home

L&Q offer an extensive range of Shared Ownership homes across the country. We can help you buy a home in a way that works for you.

Shared Ownership makes it possible to own your home – even if you feel priced out of the property market. It's an affordable home ownership scheme designed as a stepping-stone to outright ownership if you can't afford to buy a home on the open market.

To find out more visit
lqhomes.com/shared-ownership

Buying a Shared Ownership home with L&Q

With Shared Ownership you start by buying a share in your home and then progress to full ownership by buying more shares. Your deposit will be 5% to 10% of the share you are buying. You pay a mortgage on the share you own and a rent to L&Q on the share you don't own.

Are some applicants prioritised?

Some developments may initially be reserved for those who live or work locally, but in most cases the development is open to everyone so please register if you are interested. You can find out more about the development eligibility criteria on our website or by speaking to the Sales Team.

Is Shared Ownership really affordable?

The best way to find out if Shared Ownership is affordable for you is to speak to an independent mortgage advisor about your finances. They will help you determine what is affordable and help you make the right decision. You will need a deposit and will also need to cover the costs of buying a home. These costs include things like the reservation fee, mortgage valuation fee, removal costs and utility connection charges.

Can I buy more shares in my home?

Yes, this process is known as staircasing. You can also sell the share you own at any time, either via the L&Q Resales team or on the open market.

Am I Eligible?

To buy a home under the Shared Ownership scheme you must meet these basic requirements:

- have a combined annual household income under £80,000, or £90,000 in London
- not own a property, or part of a property, at the time of completing on your purchase
- be 18 years or older and be able to obtain a mortgage

Complete our Shared Ownership Application form to confirm your eligibility.

If you have any questions about the application form please contact the Homebuy Application Team at applications@lqgroup.org.uk or call 0300 456 9997 opt 1, Monday to Friday 9am-5pm

Getting started with L&Q Shared Ownership

Step 1: Confirm your eligibility

Complete the online L&Q Shared Ownership Application form at lqhomes.com/apply. If you're purchasing a home with a friend or partner, remember to complete the Joint Application section of the form.

Step 2: Reserve your home

Browse our website and find a home that's right for you. Book a viewing and visit the show home, once you've chosen your home reserve it with a payment of £500. Homes will be allocated based on priority.

Step 3: We make you an offer

Once you have paid your reservation fee, we will verify your identity. If the result of this check is satisfactory, we'll contact you to make an offer of a home.

Buying a Shared Ownership home

After we have made you an offer

Step 1: Meet a mortgage advisor

When you accept the offer, it will be subject to a financial assessment with an independent mortgage advisor (IMA). They will assess what share you can afford to purchase and arrange your mortgage application for you.

Step 2: You appoint a solicitor

Everyone who buys a home needs to appoint a conveyancing solicitor to work on their behalf. We can provide details of solicitors who specialise in shared ownership.

Step 3: We exchange contracts

The Memorandum of Sale (MOS) will give a date by which to exchange contracts. This makes your intention to buy a home through L&Q a legally binding agreement.

Step 4: Completion day arrives!

Your mortgage lender will give your solicitor the money to buy your home and complete the sale. Congratulations on purchasing your new home!

Step 5: Time to collect your keys

We will make arrangements to meet you at your home and hand over your keys. We will also walk you through your new home and talk you through your Home User Guide.

We're here and ready to help

When you're ready to move in, L&Q will give you a personal introduction to your new L&Q home.

The L&Q new homes warranty

We will demonstrate how to operate your appliances and heating and talk you through any special features, all of which will be detailed in your Home User Guide.

We are confident that you will be delighted with your new L&Q home, but for added peace of mind, all of our homes also come with an L&Q new homes warranty.

This lasts for two years from the date of legal completion. For the 2-year period, we guarantee items supplied as part of your new home, covering repairs needed due to faulty workmanship or materials. The NHBC Buildmark cover is valid for 12 years from the date the building was finished.

Your sales associate can provide you with more details on the L&Q warranty and NHBC Buildmark cover. You can also access the full terms and conditions on our website: lqgroup.org.uk
