

5 Oak Croft, Abingdon, OX14 4TZ
40% Shared Ownership £ 152,000

This stylish two-bedroom semi-detached new-build home offered on a shared ownership basis situated within the highly desirable Canopies development in Milton – an innovative net zero carbon community created by Greenoore Homes.

Built to Greenoore's exacting standards, the property benefits from a range of advanced eco-friendly technologies including photovoltaic (PV) solar panels, an air source heat pump providing efficient hot water, along with electric heating and a mechanical ventilation with heat recovery (MVHR) system that continuously circulates fresh filtered air while retaining warmth within the home. Together, these features help reduce energy consumption and running costs creating a comfortable and future-proofed living environment.

Stepping through the front door, you are welcomed directly into a bright and spacious open-plan living area. To the left is a well-appointed kitchen
