### IMPORTANT INFORMATION - PLEASE READ CAREFULLY

[1] Sale prices are based on a market valuation carried out by an Independent RICS Valuer every 3 months. Our sale prices are subject to change up until the point you have received a memorandum of sale from us, reserving your new home.

[2] Applicants will be required to purchase the amount that they can suitably afford, as assessed by a qualified and experienced advisor who is regulated to give mortgage advice.

Once you have received a memorandum of sale, the agreed sale price and any incentives are secured for the duration of that agreement. If you exceed your exchange deadline, then it is at our discretion whether we extend those terms.

[3] Both 5% and 10% deposits, and the corresponding estimated monthly mortgage, are shown. Your deposit value will vary depending on the mortgage product you are able to obtain and your personal circumstances.

[4] Rent is charged at the % shown on the unsold share. Rent increases annually and effective from 1st April each year based on the terms set out in the lease. Please ensure you discuss this with your solicitor and factor in future rent increases into your budgets.

[5] Representative mortgage rate is based on a repayment loan over 30 years with an interest rate as indicated. Interest rates and deposit values you are eligible for will differ based on your personal circumstances.

[6] Service charge is indicative only and may change. Service charges are reviewed annually and are effective from 1st April each year. Service charges will increase year on year. You are advised to factor in any increases into your costings.

### YOUR HOME IS AT RISK IF YOU FAIL TO KEEP UP THE REPAYMENTS ON YOUR RENT OR MORTGAGE.

Prices are correct at time of going to print and are subject to change at any time without prior notification. Please check when enquiring about specific properties.

Shared Ownership terms and conditions apply. Please refer to Southern Housing's Shared Ownership Sales Policy for guidance on eligibility, the allocation of homes, our first come first served priority and assessing affordability, including our approach to 100% mortgages and cash buyers.
