THE LEGAL BIT

When issuing the Memorandum of Sale, we are instructing the sale. We will set a deadline for exchange within 42 days.

THE LEGAL PROCESS:

- Your solicitor will raise any enquiries they have regarding the purchase
- Your mortgage lender will instruct a valuation on the property you are purchasing
- You will receive a copy of your mortgage offer
- Your solicitor will prepare the relevant documents for you to sign and will also ask you to send them your full deposit amount, which will be 5% or 10% of your share purchase, dependent on your mortgage.
- We will then exchange contracts with completion on notice. 'Completion on notice' means that, as soon as the properties are ready to move into, we will issue notice to solicitors and expect completion to happen within 10 working days of that notice having been served.
- Our sales team will keep you updated regularly on the progress of the build and will keep you informed about expected completion dates. If your property is ready to move in, we expect exchange and completion within 8 weeks.
- Your reservation fee will go towards your payments at completion.

WHEN CAN I MOVE IN?

This date will be set when you exchange contracts, unless properties are not built, in this instance we will complete on notice, this means once the property is built we will issue you with 10 working days' notice to confirm a completion date.

On the day of completion, we will get in touch and arrange a time that suits you to meet you at the property and handover keys. A time cannot be confirmed until we have confirmation from the solicitor that the funds have been received.

Here we will take any meter readings so that you can set up your utility accounts with suppliers and provide you with a helpful homeowner user guide.

You will then need to contact the utility suppliers and council tax department to confirm your completion date and provide opening readings.

AFTER THIS, ALL THAT IS
LEFT TO DO IS ENJOY LIFE IN
YOUR NEW HOME!

WHY SETTLE PARADIGM?

We want to help you settle in a new community – by delivering new homes that meet local needs and creating diverse new neighbourhoods that let you live the life you choose. We are proud providers of high-quality, affordable homes across Hertfordshire, Bedfordshire and Cambridgeshire. We provide a variety of tenures to suit everyone's needs, including offering affordable rent and shared ownership options.

WHAT IS SHARED OWNERSHIP?

Shared ownership is a great way to get your foot on the housing ladder if you're unable to purchase a home on the open market.

The Government backed scheme allows you to purchase up to 75% of a home available for shared ownership and you'll usually pay a mortgage on the part you own.

You'll then pay a subsidised rent of 2.75% on the remaining share of your home. This figure is reviewed annually in line with the Consumer Price Index (RPI).

The deposit required for a shared ownership mortgage is a lot lower than if you were purchasing the property outright. This is because it is calculated on the initial share you are purchasing, rather than the full value of the property and can be as little as 5%.

The artist's impressions in this brochure have been created to give a general indication of the finished properties. During the construction process it may be necessary to make certain changes. Landscaping, ground levels, steps, retaining walls, planting and material colours are indicative only. All room dimensions are given in metres and are between finished plastered faces. Dimensions are the maximum measurements and include window recesses. All dimensions are taken from architect's plans and are likely to vary during the construction process. Please consult your sales advisor for plot specific details on elevation treatments, floorplans, window/external door locations, parking details and garage positions. Kitchen and bathroom layouts are indicative only, these details do not form part of any contract. The specification outlined in this brochure is subject to the construction stage and may change, please consult your sales advisor for further plot specific details. Correct at time of print.

AM I ELIGIBLE?

You'll need to meet the following criteria to qualify for shared ownership:

- Have a household income of less than £80,000
- Unable to buy a home on the open market that satisfies your housing need
- You can pay for the mortgage deposit, legal, surveying and mortgage fee and stamp duty (if applicable).

You won't be able to purchase a shared ownership property if:

- You already own a home in the UK, or abroad, that you are unable or willing to sell
- You have any outstanding credit issues (i.e. unsatisfied defaults or County Court judgements)
- You have had a home repossessed within 6 years prior to the application or any mortgage arrears in the past 3 years.

We'll allocate the home on a First Come First Served basis.
